Welcome and Introductions

The meeting was called to order. Each of the twelve participants introduced themselves and the business/organization they represented.

Open Forum - SBAC

The first order of business was to select a new chair for the SBAC. Sheila Ware nominated Jeff Rogers for the position. She explained that he should be selected because of his past successful interaction with TCEQ and his willingness to help. Jeff accepted the nomination. The committee then voted to elect Jeff as the new SBAC Chair.

The committee then discussed their purpose and goals for the future. They want to continue to receive updates on new and upcoming rule changes. The committee will then decide which rule changes need to be addressed and work together to develop comments, letters, etc.

Jeff concluded the meeting by reflecting on Candace's service as chair.
