Welcome and Introductions

The meeting was called to order by the Committee Chair, Candace Broucher. Each of the eight participants introduced themselves and the business/organization they represented.

Open Forum

The group discussed the renewed Multi Sector General Permit for stormwater, and Lori answered general questions about the permit. Lori also answered some general questions about the proposed Compliance History rule. The group is interested in reading the comments about the rule; the comments and TCEQ's responses will be provided when they are available.

TCEQ Website Information –Lori Palmer

Lori showed the group how to use the TCEQ website to sign up for e-mail updates and find information in Central Registry. She also showed them the www.TexasEnviroHelp.org web page with the help that is available from Small Business and Local Government Assistance. She explained the Compliance Commitment program and showed how to find the checklists. She also explained the Environmentor program and how to get assistance or volunteer for the program.
