After the public meetings, the Sunset Commission will meet again in early 2011 to make decisions regarding the TCEQ. The finalizing of the proposed new ozone standard will be finalized at the end of October 2010.

#### **ENVIROMENTOR RECOGNITION:**

Cynthia Williams introduced and recognized Mr. David Sorrells of Zephyr Environmental for his outstanding volunteer work for the Cypress Creek Golf Center and Academy. Since the project was a success through Mr. Sorrells' credentials and hard work, he was presented with an award at our SBAC. Mr. Woodliff, the owner of Cypress Creek Golf Center, provided the SBAC with a presentation on how he converted an old landfill into a beautiful driving range. He was also most appreciative of the environmental assistance he received from Mr. Sorrells and the TCEQ.

#### **C2 PARTNER RECOGNITION:**
