

TASK FORCE MEETING

Thursday, May 27, 1993

8:30 A.M.

Travis Building

Room 1-100

Austin, Texas

Item 1. The Permit Hearings Process Task Force of Texas Water Commission, consisting of representatives of private industry and environmental groups, and Texas Water Commission staff, will meet with the Commissioners of the Texas Water Commission in a workshop-type setting to identify improvements and enhancements to the permit hearings process.

No final action has been taken, meetings will continue to be ongoing to continue to identify improvements and enhancements to the permit hearings process.
