TEXAS NATURAL RESOURCE CONSERVATION COMMISSION

9:00 a.m.

Arlington Convention Center Exhibit Hall
1200 Stadium Dr. East
Arlington, Texas

CONSIDERATION OF REGULATORY ISSUES ASSOCIATED WITH THE BURNING OF HAZARDOUS WASTE IN CEMENT KILNS. THESE ISSUES INCLUDE: (1) DISCUSSION OF REGULATORY STANDARDS FOR BURNING OF HAZARDOUS WASTE IN CEMENT KILNS COMPARED TO THE REGULATORY STANDARDS FOR THE BURNING OF HAZARDOUS WASTE IN COMMERCIAL INCINERATORS; (2) DISCUSSION AND COMPARISON OF INTERIM STATUS STANDARDS AND PERMITTING STANDARDS FOR CEMENT KILNS WHICH BURN HAZARDOUS WASTE; (3) DISCUSSION OF THE MANAGEMENT OF RESIDUES GENERATED BY THE BURNING OF HAZARDOUS WASTE IN CEMENT KILNS; AND (4) CONSIDERATION OF THE EXISTING STANDARDS GOVERNING THE BURNING OF HAZARDOUS WASTE IN CEMENT KILNS, AND THEIR ADEQUACY TO PROTECT PUBLIC HEALTH AND THE ENVIRONMENT.

Commission discussed regulatory standards for burning hazardous waste in cement kilns; instructed staff to take various steps in working with the public and the industries to ensure that safety concerns were dealt with.
