Remarks: The applicant is seeking authorization to amend the registration to authorize an increase in the acreage used for beneficial land application from 18.75 acres to 35 acres.

PUBLIC COMMENT / PUBLIC MEETING. You may submit public comments about this application. The TCEQ will hold a public meeting on this application due to significant public interest. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application.

The public meeting will consist of two parts, an Informal Discussion Period and a Formal Comment Period. A public meeting is not a contested case hearing under the Administrative Procedure Act. During the Informal Discussion Period, the public will be encouraged to ask questions of the applicant and TCEQ staff concerning the application for registration. Responses will be provided orally during the Informal Discussion Period. During the Formal Comment Period on the application for registration, members of the public may state their formal comments orally into the official record. The Executive Director will consider all relevant information pertaining to whether the Applicant meets the requirements of the application for registration and will issue a written determination upon final action on the application. If the authorization is issued, a copy of the authorization and final technical summary will be sent to each person who submits a formal comment or who requests to be on the mailing list for this authorization and provides a mailing address.
