**NOTICE OF HEARING  
WPS I LLC  
SOAH Docket No. 582-19-6327  
TCEQ Docket No. 2019-0443-MWD  
Permit No. WQ0015679001**

**APPLICATION.**

WPS I LLC, 5189 East Interstate 20 Service Road North, Suite 106, Willow Park, Texas 76087, has applied to the Texas Commission on Environmental Quality (TCEQ) for new Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0015679001, to authorize the discharge of treated domestic wastewater at a daily average flow not to exceed 60,000 gallons per day. TCEQ received this application on April 17, 2018.

The facility will be located at 9700 East Bankhead Highway, Aledo, in Parker County, Texas 76008. The treated effluent will be discharged to an unnamed tributary; thence to Clear Fork Trinity River Below Lake Weatherford in Segment No. 0831 of the Trinity River Basin. The unclassified receiving water use is minimal aquatic life use for the unnamed tributary. The designated uses for Segment No. 0831 are primary contact recreation, public water supply and high aquatic life use. In accordance with 30 Texas Administrative Code (TAC) Section 307.5 and the TCEQ's Procedures to Implement the Texas Surface Water Quality Standards (June 2010) for the Texas Surface Water Quality Standards, an antidegradation review of the receiving waters was performed. A Tier 1 antidegradation review has preliminarily determined that existing water quality uses will not be impaired by this permit action. Numerical and narrative criteria to protect existing uses will be maintained. A Tier 2 review has preliminarily determined that no significant degradation of water quality is expected in Clear Fork Trinity River Below Lake Weatherford, which has been identified as having high aquatic life uses. Existing uses will be maintained and protected. The preliminary determination can be reexamined and may be modified if new information is received. As a public courtesy, we have provided the following Web page to an online map of the site or the facility's general location. The online map is not part of the application or the notice: <[www.tceq.texas.gov/assets/public/hb610/index.html?lat=32.722222&lng=-97.6225&zoom=13&type=r](http://www.tceq.texas.gov/assets/public/hb610/index.html?lat=32.722222&lng=-97.6225&zoom=13&type=r)>. For the exact location, refer to the application.

The TCEQ Executive Director has prepared a draft permit which, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements. The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at the East Parker County Library, 201 Farm-to-Market Road 1187 North, Aledo, Texas.
