The public meeting will consist of two parts, an Informal Discussion Period and a Formal Comment Period. During the Informal Discussion Period, the public is encouraged to ask questions of the applicant and TCEQ staff concerning the application. However, informal comments made during the Informal Discussion Period will not be considered by the TCEQ Commissioners before reaching a decision on the permit and no formal response will be made to the informal comments. During the Formal Comment Period, members of the public may state their formal comments into the official record. A written response to all formal comments will be prepared by the Executive Director and considered by the Commissioners before they reach a decision on the permit.
