The facility is proposed to be located at 4730 T K Parkway, Axtell 76624 in McLennan and Limestone Counties, Texas. The TCEQ received Parts I and II of this application on August 8, 2018 and Parts III and IV of the complete application on May 29, 2020; as such, this is a continuation of that application and not a new application. **Additional Notice.** TCEQ's Executive Director has determined that the application is administratively complete and is conducting a technical review of the application. That notice will contain the deadline for submitting public comments.**

**Public Comment/Public Meeting.** A public meeting will be held and will consist of two parts, an Informal Discussion Period and a Formal Comment Period. A public meeting is not a contested case hearing under the Administrative Procedure Act. During the Informal Discussion Period, the public will be encouraged to ask questions of the applicant and TCEQ staff concerning the permit application. The comments and questions submitted orally during the Informal Discussion Period will not be considered before a decision is reached on the permit application and no formal response will be made. Response will be provided orally during the Informal Discussion Period. During the Formal Discussion Period on the permit application, members of the public may state their formal comments orally into the official record. A written response to all formal comments will be prepared by the Executive Director. All formal comments will be considered before a decision is reached on the permit application. A copy of the written response will be sent to each person who submits a formal comment or who requested to be on the mailing list for this permit application and provides a mailing address. Only relevant and material issues raised during the Formal Comment Period can be considered if a contested case hearing is granted on this permit application.
