Application. PC-II, LLC, 300 Concourse Blvd., Suite 101, Ridgeland, Madison County, Mississippi 39157, a Mississippi limited liability company, has applied to the Texas Commission on Environmental Quality (TCEQ) for a permit to authorize a new Municipal Solid Waste Type I Landfill. The facility is proposed to be located approximately six miles northwest of the intersection of US 59 and Business SH 105, in San Jacinto County, Texas. The TCEQ received Parts I and II of this application on August 28, 2019 and Parts III and IV of the complete application on September 16, 2020; as such, this is a continuation of that application and not a new application. The following link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice: <https://arcg.is/08jO4L>. For the exact location, refer to the application.

Additional Notice. TCEQ's Executive Director has determined that the application is administratively complete and is conducting a technical review of the application. After the technical review of the application is complete, the Executive Director may prepare a draft permit and will issue a preliminary decision on the application. **Notice of the Application and Preliminary Decision will be published by the applicant in newspapers that meet the TCEQ requirements and mailed to those who are on the county-wide mailing list and to those who are on the mailing list for this application. That notice will contain the deadline for submitting public comments.**

Public Comment/Public Meeting. A public meeting will be held and will consist of two parts, an Informal Discussion Period and a Formal Comment Period. A public meeting is not a contested case hearing under the Administrative Procedure Act. During the Informal Discussion Period, the public will be encouraged to ask questions of the applicant and TCEQ staff concerning the permit application. The comments and questions submitted orally during the Informal Discussion Period will not be considered before a decision is reached on the permit application and no formal response will be made. Responses will be provided orally during the Informal Discussion Period. During the Formal Discussion Period on the permit application, members of the public may state their formal comments orally into the official record. A written response to all formal comments will be prepared by the Executive Director. All formal comments will be considered before a decision is reached on the permit application. A copy of the written response will be sent to each person who submits a formal comment or who requested to be on the mailing list for this permit application and provides a mailing address. Only relevant and material issues raised during the Formal Comment Period can be considered if a contested case hearing is granted on this permit application.
