\* Please note that the reporting of monthly investigations for the purpose of State Performance Measures is based on the approved definitions through the Legislative Budget Board (LBB). TCEQ's Annual Enforcement Report provides end of fiscal year totals of investigations and other similar evaluations that are part of an expanded universe beyond LBB definitions. Following are the numbers of "Total Investigations" reported in the TCEQ Annual Enforcement Report: FY2016: 102,315; FY2017: 104,146.

\*\* The definition for this performance measure has changed for FY18 to include follow-up investigations and file reviews that were not previously captured under this measure, resulting in an increase in the target.
