

Draft 2008 Texas Water Quality Inventory - Guide to Water Body Assessments

Summary assessment data for individual water bodies is presented in pdfs for each river basin. Water bodies can be located by the **Seg_ID** which is the primary identifier used throughout the assessment documents. Assessment data is grouped by river basin and listed in Seg_ID order in each river basin pdf. For your convenience river basins, water bodies, and their Seg_ID can be located in the list below, sorted alphabetically.
