

Middle Fork Pease River

Segment: 0221 Red River Basin

Basin number: 2
Basin group: A
Water body description: From the confluence with the North Fork Pease River in Cottle County to the confluence of Boggy Creek and Mott Creek in Motley County
Water body classification: Classified
Water body type: Freshwater Stream
Water body length / area: 66 Miles
Water body uses: Aquatic Life Use, Contact Recreation Use, General Use, Fish Consumption Use

Standards Not Met and Concerns in Previous Years Assessment Area	Use	Support Status or Concern	Parameter	Category
Lower end of segment to South Pease River confluence	General Use	Partially Supporting	temperature	4c

Parameters Removed from the 2000 303(d) List: temperature

Additional Information: The aquatic life, contact recreation and fish consumption uses were not assessed.

This segment was identified on the 2000 303(d) List as partially supporting the general use due to temperature. Because there were insufficient data in 2002 to evaluate changes in water quality, this segment will be identified as not meeting the standard for temperature until sufficient data are available to demonstrate use support.

Monitoring sites used: Assessment Area	Station ID	Station Description
Lower end of segment to South Pease River confluence	10170	PEASE RIVER MIDDLE FORK AT US 62-83 SOUTH OF CHILDRESS
