*Please read and confirm the following statement:

In accordance with 30 Texas Administrative Code §101.306(c)(1) this form will not be accepted before the emission credit is available in the compliance account for the site where it will be used. Listing anything other than the specific ERC Certificate numbers available in the site's compliance account at the time of the submission of this form will result in its rejection. ERC Certificates that have expired will not be accepted. Only the certificates listed on this form and the amount (tpy) to be used provided will be processed for this submission. If the amount of ERCs provided in Section VIII of this form is greater than the amount provided in Section IX, an additional Notice of Intent to Use form will need to be provided for the remaining ERCs required.

By checking this box, I confirm that I have read and understand the statement above.

If you require assistance in verifying the ERC Certificate numbers for your account, email the Emissions Banking and Trading team at ebt@tceq.texas.gov.

X. AAR CERTIFICATION

I, _____, hereby certify, to the best of my knowledge and belief, that this application is correct and the proposed use claimed on this notice meets the requirements of all applicable state and federal rules and regulations. I further understand that the emission reduction credits listed in this notice for use may devalue upon review of their creditability.
