

Insignificant Emissions Change Notification

Mr. Kevin Cauble, Manager

Emissions Assessment Section, MC 164

Texas Commission on Environmental Quality

P.O. Box 13087

Austin, TX 78711-3087

Re: Calendar Year _____ Emissions Inventory

Company Name: _____

Site Name: _____

TCEQ RN: _____, TCEQ Air Account No.: _____

Dear Mr. Cauble:

Per 30 Texas Administrative Code (TAC) Section 101.10(b)(2)(A), this letter is to inform the TCEQ that this site has not undergone any operational or process changes to produce a significant change in the actual annual emission rates for any of the criteria pollutants. The actual annual emission totals for volatile organic compounds, nitrogen oxides, carbon monoxide, sulfur dioxide, lead, and particulate matter with an aerodynamic diameter of 10 micrometers or less are each within 5 percent or 5 tons of the most recently reported total annual emissions.

Please check one:

- No emissions events or maintenance, startup, or shutdown activities occurred at the above referenced site during the entire calendar year. By submitting this letter, I understand the TCEQ will copy the most recent annual and ozone season emissions as shown in the State of Texas Air Reporting System (STARS) database to the current reporting year. Therefore, I am enclosing the following completed pages of the CY _____ emissions inventory questionnaire:
 - Account Information and Emissions Inventory Contact Information.
 - Criteria Emissions Totals and Site Quantifiable Event Totals.
 - Signed Emissions Events Certification certifying that no emissions events occurred at the site during the calendar year.
 - Signature of Legally Responsible Party certifying that the information contained in the emissions inventory is true and accurate.
- Emissions events and/or maintenance, startup, or shutdown activities occurred at the site during the calendar year. By submitting this letter, I understand the TCEQ will copy the most recent annual and ozone season emissions as shown in the STARS database to the current reporting year. In addition, so that the TCEQ can update the emissions from any emissions events and/or maintenance, startup, or shutdown activities, I am enclosing the following completed pages of the CY_____ emissions inventory questionnaire:

- Account Information and Emissions Inventory Contact Information.
- Criteria Emissions Totals and Site Quantifiable Event Totals.
- If applicable, signed Emissions Events Certification certifying that no emissions events occurred. (Do not sign if there were emissions events.)
- Signature of Legally Responsible Party certifying that the information contained in the emissions inventory is true and accurate.
- Path Emissions page(s) to report the emissions from each emissions event and/or maintenance, startup, or shutdown activity that occurred at each emission source.

Upon request, I am prepared to submit supporting documentation that includes, but is not limited to, representative sample calculations, stack-test results, and copies of continuous emissions monitoring system reports.

If you have any questions concerning the determination of the status of this site or the calculation methodologies used, please contact me via telephone at _____ or via email at _____.

Sincerely,

Responsible Official (print) _____ Title (print) _____
