RICK PERRY
GOVERNOR

March 10, 2009

Mr. Lawrence E. Starfield
Acting Regional Administrator
U.S. Environmental Protection Agency (EPA), Region 6
1445 Ross Avenue, Suite 1200
Dallas, Texas 75202-2733

Dear Mr. Starfield:

Pursuant to the requirements in Section 107(d)(1)(A) of the federal Clean Air Act, we have enclosed the recommendation for designation of areas in Texas with regard to the revised National Ambient Air Quality Standard for eight-hour ozone of 0.075 parts per million.

The Texas Commission on Environmental Quality (TCEQ) developed the enclosed recommendation, considering currently available, eligible monitoring data for all areas in Texas from the 2005-2007 period. The State of Texas recommendation also takes into account the 2008 data, which will be certified in accordance with EPA requirements.

The commission understands that EPA plans to utilize the most recent three years of ambient monitoring data as the basis for designations. Additionally, 2009 certified data may be available for the EPA's consideration in making the designations. TCEQ staff members are available to work with you regarding the appropriate data submission.

If you have any questions or need additional information, please feel free to contact TCEQ Chairman Buddy Garcia at (512) 239-5515.

Sincerely,

A large, stylized handwritten signature in black ink that reads "Rick Perry".
