CAPTION: Docket No. 2009-0071-MIS. Consideration of the adoption of an agreed order with Exide Technologies in Collin County to require Exide Technologies to comply with certain requirements in the event that contingency measures are required to be implemented by the maintenance plan for the 1978 lead National Ambient Air Quality Standard (NAAQS) for Collin County.

The adopted agreed order with Exide Technologies would make contingency measures for the federally required second ten-year maintenance plan for the 1978 lead NAAQS in Collin County legally enforceable. (Jim Price, Amy Browning)
