NOTICE OF PUBLIC HEARING ON PROPOSED REVISION TO
THE STATE IMPLEMENTATION PLAN

The Texas Commission on Environmental Quality (commission) will offer a public hearing in San Antonio on February 18, 2020, at 2:00 p.m. at the Alamo Area Council of Governments located at 8700 Tesoro Drive.

The hearing is offered to receive testimony regarding the proposed Bexar County 2015 Eight-Hour Ozone Nonattainment Area Federal Clean Air Act (FCAA), §179B Demonstration State Implementation Plan (SIP) Revision (Project No. 2019-106-SIP-NR). The proposed SIP revision demonstrates that the Bexar County marginal ozone nonattainment area would attain the 2015 eight-hour National Ambient Air Quality Standard by its attainment date "but for" anthropogenic emissions emanating from outside the United States in accordance with FCAA, §179B. The hearing for the proposed revision is required by Texas Health and Safety Code, §382.017; Texas Government Code, Chapter 2001, Subchapter B; and 40 Code of Federal Regulations §51.102 of the United States Environmental Protection Agency concerning SIPs.

The hearing is structured for the receipt of oral or written comments by interested persons. Individuals may present oral statements when called upon in order of registration. Open discussion will not be permitted during the hearing; however, commission staff members will be available to discuss the proposal 30 minutes prior to the hearing.

Persons who have special communication or other accommodation needs who are planning to attend the hearing should contact Jamie Zech, Air Quality Division at (512) 239-3935 or 1-800-RELAY-TX (TDD). Requests should be made as far in advance as possible.
