

TCEQ-Approved Alternative Diesel Fuel Formulation	TCEQ-Assigned Identification Number	Notification Report (PDF)	Approval Letters (PDF)
Lubrizol PuriNOx™ Summer Blend Fuel	TXLED-A-00001	Approval Notification	Approval Letter
AGE Refining Low Emission Diesel	TXLED-A-00005	Approval Notification	Approval Letter
ORYXE Energy International, Inc. OR-LED 2 diesel fuel additive blended with diesel fuel as defined under 30 TAC §114.6	TXLED-A-00006	Approval Notification	Approval Letter
ORYXE Energy International, Inc. OR-LED 3 diesel fuel additive blended with diesel fuel as defined under 30 TAC §114.6	TXLED-A-00007	Approval Notification	Approval Letter
ORYXE Energy International, Inc. OR-LED 3 diesel fuel additive blended with a B20 comprised of 20 percent ASTM D6751-compliant B100 biodiesel and 80 percent diesel fuel as defined under 30 TAC §114.6	TXLED-A-00008	Approval Notification	Approval Letter
White Sands LLC CB-LE diesel fuel additive blended with diesel fuel as defined under 30 TAC §114.6	TXLED-A-00009	Approval Notification	Approval Letter
White Sands LLC CB-LE diesel fuel additive blended with diesel fuel as defined under 30 TAC §114.6	TXLED-A-00009	Approval Notification	Revised Approval Letter (6/4/2008)
Flint Hill Resources CCD15010 fuel formulation with HiTEC® 4121 diesel fuel additive	TXLED-A-00011	Approval Notification	Approval Letter
Viscon California's Viscon® polymer diesel fuel additive blended with diesel fuel as defined under 30 TAC §114.6	TXLED-A-00012	Approval Notification	Approval Letter
Biodiesel blends comprised of 5 percent or less by volume of ASTM D6751-compliant B100 biodiesel and 95 percent or more by volume of diesel fuel as defined under 30 TAC §114.6 that is compliant with the TxLED regulations specified under 30 TAC §114.312 or §114.318	TXLED-A-00013	Approval Notification	Approval Letter
ORYXE Energy International, Inc. OR-LED3 diesel fuel additive blended with a biodiesel/diesel fuel blend comprised of 20 percent or less by volume of ASTM D6751-compliant B100 biodiesel and 80 percent or more by volume of diesel fuel as defined under 30 TAC §114.6 that is compliant with the TCEQ regulations specified under 30 TAC §114.312 or §114.318.	TXLED-A-00014	Approval Notification	Approval Letter

Baker Petrolite NOxitrol® 1000 diesel fuel additive blended with diesel fuel as defined under 30 TAC §114.6	TXLED-A-00015	Approval Notification	Approval Letter
Viscon California's Viscon® polymer diesel fuel additive blended with a biodiesel/diesel fuel blend comprised of 20 percent or less by volume of ASTM D6751-compliant B100 biodiesel and 80 percent or more by volume of diesel fuel as defined under 30 TAC §114.6 that is compliant with the TCEQ regulations specified under 30 TAC §114.312 or §114.318. 30 TAC §114.6	TXLED-A-00016	Approval Notification	Approval Letter
Innospec Fuel Specialties ECO CLEAN® TXLED ha1 diesel fuel additive blended with diesel fuel as defined under 30 TAC §114.6 30 TAC §114.6	TXLED-A-00017	Approval Notification	Approval Letter
ORYXE Energy International, Inc. LED+5510 diesel fuel additive blended with diesel fuel as defined under 30 TAC §114.6	TXLED-A-00018	Approval Notification	Approval Letter
ORYXE Energy International, Inc. LED+5510 diesel fuel additive blended with a biodiesel/diesel fuel blend comprised of 20 percent or less by volume of ASTM D6751-compliant B100 biodiesel and 80 percent or more by volume of diesel fuel as defined under 30 TAC §114.6 that is compliant with the TCEQ regulations specified under 30 TAC §114.312 or §114.318;	TXLED-A-00019	Approval Notification	Approval Letter
Biofriendly Corporation Green Plus A® diesel fuel additive blended with diesel fuel as defined under 30 TAC §114.6	TXLED-A-00020	Approval Notification	Approval Letter
Innospec Fuel Specialties LLC ECOCLEAN® TXLED III diesel fuel additive blended with diesel fuel as defined under 30 TAC §114.6	TXLED-A-00021	Approval Notification	Approval Letter
Kern Fuels Research, LLC JC-747 diesel fuel additive blended with a biodiesel/diesel fuel blend comprised of 20 percent or less by volume of ASTM D6751-compliant B100 biodiesel and 80 percent or more by volume of diesel fuel as defined under 30 TAC §114.6 that is compliant with the TCEQ regulations specified under 30 TAC §114.312 or §114.318	TXLED-A-00022	Approval Notification	Approval Letter
ORYXE Energy International, Inc. LED+6610 diesel fuel additive blended with diesel fuel as defined under 30 TAC §114.6	TXLED-A-00023	Approval Notification	Approval Letter
ORYXE Energy International, Inc. LED+6610 diesel fuel additive blended with diesel fuel as defined under 30 TAC §114.6	TXLED-A-00023	Revised Approval Notification	Revised Approval Letter

Biofriendly Corporation Green Plus A® diesel fuel additive blended with a biodiesel/diesel fuel blend comprised of 10 percent or less by volume of ASTM D6751-compliant B100 biodiesel and 90 percent or more by volume of diesel fuel as defined under 30 TAC §114.6	TXLED-A-00024	Approval Notification	Approval Letter
