DISPOSITION POINTERS FOR GRANTEE

READ CAREFULLY

- 1** Keep access to your old vehicle or equipment until the TERP staff approves your disposition form. You may need to send additional photographs or documentation. You, the grantee will also be required to provide a "Non-Repairable Vehicle Title" as proof of destruction for on-road vehicles.
- 2** You, the grantee, are responsible for the completion of the disposition. If someone else destroys your old vehicle or equipment for you, you are still the one responsible for making sure that the destruction complies with program requirements.
- 3** The old vehicle and engine numbers on the disposition form must match the vehicle and engine numbers in your contract.
- 4** All pictures submitted for the disposition must be original pictures. We must be able to clearly see the destruction to the vehicle or equipment in the pictures. We must be able to read the engine ID number in the pictures. TERP does not accept faxed pictures.
- 5** Please keep copies of all your disposition pictures and documents for your own business records or in the event, for whatever reason, you may need to resend them to us.
- 6** The TERP Web site at <www.terpgrants.org> has good information on all parts of the TERP program, including disposition.

If you still have any questions or concerns about disposing of the old vehicle or equipment, please call 800-919-TERP (800-919-7837).

The completed and signed form should be submitted to:

FORM 3a: REPLACEMENT Disposition

REPLACEMENT: Disposition of Vehicle or Equipment <i>(Complete only for Replacement Activity)</i>			Activity # _____
Name on Contract:		Grant Contract #:	
Contract Name and Title:		Phone #:	
Address:			
	<i>(Street)</i>	<i>(City)</i>	<i>(State)</i> <i>(ZIP)</i>
OLD VEHICLE OR EQUIPMENT INFORMATION			
<i>Provide the information on the vehicle or equipment being replaced. Refer to the vehicle's operation's manual or contact the dealer for information.</i>			
Vehicle Identification #:	_____		
Vehicle/Equipment Make:	_____	Model:	Year: _____
Registration Document #:	_____ (document number located on vehicle registration form)		
<i>This information can be found on the engine's emissions label on the engine block and must be provided. If this information is unavailable, you must provide an explanation.</i>			
Engine Serial #:	_____		
Engine Make:	_____	Model:	Year: _____
READ AND CHECK DISPOSITION STATEMENT BELOW			
Vehicle/Equipment (including the engine) was destroyed.		Read the following carefully!	
Destruction means making a hole 3 inches or larger in the engine block and cutting both frame rails in half (or other pre-approved destruction) making it inoperable . The hole in the engine block must not be on a removable plate, and must be in the vicinity of the engine serial number . All photos must be in color and not blurry. When using salvage or recycling companies, attach a written document that proves receipt of the old equipment, engine, or vehicle. Follow the list below that applies best to your vehicle or equipment. It is the grantee's responsibility that the salvage or recycling companies adhere to these procedures.			
<u>CHECKLIST FOR DISPOSITION ITEMS FOR ON-ROAD VEHICLES:</u>			
_____	A photo of the whole vehicle in operating condition before destruction (both sides of the vehicle).		
_____	A photo of the whole vehicle after destruction (both sides of the vehicle).		
_____	A photo of the engine block from the vehicle in operating condition before destruction (both sides of the engine)		
_____	A photo of the engine block after destruction with a 3 inch hole or larger that cannot be repaired. The entire engine must be visible in the photo.		
_____	A photo of both frames before destruction.		
_____	A photo of both frames after destruction with both sides of the frame cut completely in half.		
_____	A copy of the Nonrepairable Vehicle Title from the Texas Department of Motor Vehicles, Form VTR-441.		
_____	A document from the salvage or recycling company if you sell the equipment for scappage and that company does the destruction.		
<u>CHECKLIST FOR DISPOSITION ITEMS FOR OFF-ROAD EQUIPMENT:</u>			
_____	A photo of the whole piece of equipment before destruction (both sides of the equipment).		
_____	A photo of the whole piece of equipment after destruction (both sides of the equipment).		
_____	A photo of the engine block in operating condition before destruction. (both sides of the engine)		
_____	A photo of the engine block after destruction with a hole 3 inches or larger that cannot be repaired. The entire engine must be visible in the photo.		
_____	A photo before structural damage (both sides of the equipment).		
_____	A photo of both sides of the equipment after structural damage that cannot be repaired.		
_____	A document from the salvage or recycling company if you sell the equipment for scappage and that company does the destruction.		
GRANTEE'S CERTIFICATION: I, the undersigned, certify that to the best of my knowledge all submitted information is true. I understand that the TCEQ may require reimbursement of funds if disposition requirements are not met. I understand that failure to comply with these grant requirements may result in my classification as a high-risk candidate and that high-risk candidates may not be eligible for grant awards in future rounds of funding, and subject to grant repayment (total or partial). I will not give up access to this vehicle or equipment until the TCEQ approves these photos and documents.

FORM 3b: REPOWER Disposition

REPOWER: Disposition of the Engine <i>(Use new form for each repower activity)</i>			Activity # _____
Name on Contract:		Grant Contract #:	
Contract Name and Title:		Phone #:	
Address:			
	<i>(Street)</i>	<i>(City)</i>	<i>(State)</i> <i>(ZIP)</i>
OLD ENGINE INFORMATION			
<i>This information can be found on the engine's emissions label on the engine block and must be provided. If this information is unavailable, you must provide an explanation.</i>			
Engine Serial #:	_____		
Engine Make:	_____	Model:	_____
		Year:	_____
READ AND CHECK DISPOSITION STATEMENT OF YOUR CHOICE			
A. Old engine was scrapped (destroyed) Read the following carefully!			
<p>The engine was scrapped (destroyed) and photographs have been provided. Destruction includes making a hole 3 inches or larger in the engine block making it inoperable. The hole must not be on a removable plate. The hole must be as near as possible to the engine I.D. plate or stamp. Photos must be in color, legible, and not blurry.</p> <p>Photographs submitted must show the engine BEFORE and AFTER destroying it or making it inoperable. Photographs must show the engine identification number. Attach information regarding the scrapping activities and identify (name, address & phone number) the company that scrapped the equipment. A copy of written documentation must be attached to validate receipt of the old engine.</p>			
<u>HAVE YOU SUPPLIED THESE ITEMS REQUIRED FOR THE OLD ENGINE?</u>			
<input type="checkbox"/>	A photo of the complete engine block before destruction. (All sides)		
<input type="checkbox"/>	A photo of the engine block after destruction with a hole 3 inches or larger. The hole must not be on a removable plate.		
<input type="checkbox"/>	A photo of the engine identification number. The hole should be as close to the engine serial number as possible.		
<input type="checkbox"/>	Written document from the salvage or recycling company if you sell the equipment for scrapping and they do the destruction.		
B. Old engine was sent to a remanufacturing facility			
<p>The facility is operated by, or authorized by, the original engine manufacturer to remanufacture the engine. The process will include removing all parts and using the old block to build a remanufactured engine with a new serial number. A copy of the written documentation provided by the remanufacturing facility must be provided to validate the receipt of the old engine. This documentation must include the old engine identification number.</p>			
<u>HAVE YOU SUPPLIED THE REQUIRED ITEM FOR THE REMANUFACTURED ENGINE?</u>			
<input type="checkbox"/>	Written documentation provided by the remanufacturing facility showing the old engine identification number.		
<p>GRANTEE'S CERTIFICATION: I, the undersigned, certify that to the best of my knowledge all submitted information is true. I understand that the TCEQ may require reimbursement of funds if disposition requirements are not met. I understand that failure to comply with these grant requirements may result in my classification as a high-risk candidate and that high-risk candidates may be ineligible for grant awards in the future rounds of funding. I will keep access to this equipment until the TCEQ approves all photos and documents.</p>
