SOLICITATION NO.: 582-18-80850
FOR
TERP – LIGHT-DUTY MOTOR VEHICLE PURCHASE OR LEASE INCENTIVE PROGRAM –
NOTICE OF REBATES

This Addendum to the LIGHT-DUTY MOTOR VEHICLE PURCHASE OR LEASE INCENTIVE PROGRAM serves to suspend the acceptance of applications for electric plug-in, plug-in hybrid, and hydrogen fuel cell vehicles due to meeting the statutory limit for these fuel types.

Justification: Notice of Rebates 582-18-80850, Page iii states:

Applications will be accepted for consideration during this grant period on a first-come, first-served basis at the front desk, Rm. 1301, 1st floor of Building F on the premises of the TCEQ, no later than 5:00 p.m., Central Time, on May 31, 2019. Applications received in the TCEQ mail room on that date are not guaranteed to be delivered to Rm. 1301 by the required deadline, so applicants are encouraged to plan their submission date accordingly. In addition, the award of a grant is dependent upon the availability of funding and the TCEQ may suspend acceptance of applications prior to this closing date.
