

Light-Duty Motor Vehicle Purchase or Lease Incentive Program
Rebate Application
TCEQ-20684
Version 18.01

These forms are to be used to apply for a rebate grant under the Texas Commission on Environmental Quality's (TCEQ) Light-Duty Motor Vehicle Purchase or Lease Incentive Program (LDPLIP). The LDPLIP is a program under the Texas Emissions Reduction Plan (TERP).

Project eligibility criteria and types of purchases/leases eligible under this program are explained in the TCEQ's Notice of Rebates (NoR). By signing the application, the applicant is agreeing to the Terms and Conditions of the LDPLIP Grant, which become part of the Grant Contract. Applicants should review the Terms and Conditions and the NoR before completing this application. Documents can be found at <www.terpgrants.org> or a copy may be obtained by calling 1-800-919-TERP (8377).

Dealers and leasing companies (but not the buyer/lessee themselves) may request that TCEQ reserve a place in line for vehicles on order for a specific customer, subject to approval by the TCEQ. Information on the reservation process is available in the NoR and at <www.terpgrants.org>.

The TCEQ will attempt to provide updated information on the TERP Web page at <www.terpgrants.org> regarding the amount of funding still available. This information may also be obtained by calling 1-800-919-TERP (8377). However, as the grant awards approach the limits of funding availability, the TCEQ may not be able to provide assurances that funding will be available when an application is submitted. The TCEQ makes no guarantee that an eligible application will be funded and buyers or lessees should not make a purchase or lease decision that is dependent on receiving the rebate grant.

Public Information Notice:

Upon submission, all proposals become the property of the State of Texas and as such become subject to the Texas Open Records Act, Texas Governments Code, Chapter 552.
