ADDENDUM N^o 1

**** Important Notice to Vendors ****

SOLICITATION NO.: 582-20-14416

FOR

TxVEMP LEVL2 Grants Program – Application Form (TCEQ – 20878) and Application Instructions

GRANT APPLICATIONS DUE: **September 9, 2021 5:00 p.m. CST**

This Addendum to the TxVEMP LEVL2 Grants Program serves to amend Form 4: Equipment Information, Number 1, of the Application Form (TCEQ – 20878) and Form 4: Equipment Information of the Application Instructions to include a section for number of vehicles charged simultaneously at the charging unit.

The following items are changed for Solicitation 582-20-14416.

Application Form (TCEQ – 20878)

Item A. Application Form (TCEQ – 20878), Form 4: Equipment Information, 1. Equipment Information, now reads:

1. Equipment Information

Description:	
Estimated Cost Per Unit:	
How many vehicles will this equipment be capable of charging simultaneously (two-vehicle minimum)?	

Application Instructions

Item B. Application Instructions, Form 4: Equipment Information, 1. Equipment Information, now reads:

1. Equipment Information

- Description: Enter the type of equipment
- Estimated Cost Per Unit: Enter the estimated full cost of this activity.
- Enter the number of vehicles that can be charged with a single unit (each unit must have at least two charging plugs).
