ARTICLE 10. PERFORMING PARTY'S RESPONSIBILITIES TO THE TCEQ, GENERAL

10.1 All Grant Activities for which reimbursement is requested must be completed as described in the Scope of Work.

10.2 The PERFORMING PARTY hereby ratifies and attests to all representations and certifications in the Application and agrees to give prompt written notice to the TCEQ if there is any material change in these representations or certifications.

Professional Quality

10.3 The PERFORMING PARTY is responsible for the professional quality, technical accuracy, timely completion, and coordination of Grant Activities under this Contract. In performing these Grant Activities, the PERFORMING PARTY undertakes performance for its own benefit and not as agent for the TCEQ.

Supervision and Superintendence

10.4 The PERFORMING PARTY is responsible for the supervision, inspection, and direction of the Grant Activities in a competent and efficient manner, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Grant Activities in accordance with the Contract. The PERFORMING PARTY shall be solely responsible for the means, methods, techniques, sequences, and procedures of the Grant Activities. The PERFORMING PARTY is responsible for the completed implementation of the Grant Activities in full compliance with the Contract.

Materials & Equipment

10.5 Unless otherwise specified in the Contract, the PERFORMING PARTY assumes full responsibility for all materials, equipment, labor, transportation, tools, appliances, fuel, power, light, heat, telephone, water, sanitary facilities, temporary facilities, and all other facilities and incidentals necessary for the implementation and completion of the Grant Activities.

10.6 The PERFORMING PARTY agrees to maintain the Grant Equipment in good condition and functioning at Optimum Performance during the Activity Life. All materials and equipment will be of good quality and be applied, installed, connected, erected, used, cleaned and conditioned, and maintained in accordance with the instructions from the applicable manufacturer and supplier, unless otherwise provided in the Contract.

10.7 Failure to maintain the Grant Equipment as necessary to achieve the required Annual Usage constitutes a material breach of this Contract.

10.8 The PERFORMING PARTY agrees that emissions reductions generated by each activity over the Activity Life may not be used for credit under any state or federal emissions reduction credit averaging, banking, or trading program, nor as a marketable emissions reduction credit. The emissions reductions generated may be used to demonstrate conformity with the state implementation plan. The PERFORMING PARTY agrees that any marketable credits generated by emissions reduction measures are transferred to the TCEQ, and that the reductions are permanently retired. The PERFORMING PARTY may not combine this grant funding with other incentive programs that require transfer of the emissions reductions to that other program.

ARTICLE 11. PERFORMING PARTY'S RESPONSIBILITIES TO THE TCEQ, INSURANCE, REPAIR, AND REPLACEMENT

11.1 Unless otherwise expressly agreed by the TCEQ, the PERFORMING PARTY must obtain and maintain a policy of insurance for the Activity Life which is sufficient to replace Grant Equipment which is lost, stolen, or irreparably damaged. Governmental entities may use an established self-insurance program to satisfy this requirement. If requested by the TCEQ, the PERFORMING PARTY shall provide proof of insurance coverage. The TCEQ may approve alternative forms of insurance to comply with this requirement, including evidence of self-insurance. The TCEQ may also waive this requirement, at its sole discretion, for certain types of entities. Previously submitted certificates of insurance coverage may be amended to reflect newly extended coverage. A failure to comply with the insurance requirement is considered a material breach of the Contract.

11.2 If there is a repairable malfunction of or damage to Grant Equipment which affects emissions reductions during the Activity Life, the PERFORMING PARTY will repair or restore the Grant Equipment to the level of Optimum Performance.

11.3 If there is loss, theft, or irreparable damage of Grant Equipment during the Activity Life, the PERFORMING PARTY will replace the lost, stolen, or damaged Grant Equipment with similar equipment which achieves the same Optimum Performance or better. The PERFORMING PARTY will replace and begin operating the Grant Equipment no later than 60 consecutive days from the occurrence of loss, theft, or damage, unless the TCEQ expressly agrees to a longer period. Replacement Grant Equipment must meet all eligibility requirements applicable to the original Grant Equipment and is subject to all the requirements applicable to Grant Equipment contained in this Contract. The TCEQ must be provided notice of any insurance claim filed by the PERFORMING PARTY as soon as available.

11.4 The PERFORMING PARTY shall fully comply with all requirements of any agreements with third parties that have a security interest or similar interest in the Grant Equipment. Repossession, seizure, or any other event where the PERFORMING PARTY loses possession of the Grant Equipment is considered a material breach of this Contract and requires the return of grant funds.

ARTICLE 12. PERFORMING PARTY'S RESPONSIBILITIES TO THE TCEQ, GRANT ACTIVITIES

12.1 The emissions reduction benefit supporting the award of this grant is based upon the PERFORMING PARTY's successful performance of the Grant Activities as detailed in the Scope of Work.

12.2 The PERFORMING PARTY agrees to operate the Grant Equipment over the Activity Life of five years, as specified in the Scope of Work.

12.3 The PERFORMING PARTY agrees that if the reported usage of the Grant Equipment does not meet the requirements listed in the Scope of Work, the TCEQ will be entitled to a return of the grant funds.

12.3.1 The determination of whether return of funds is required will be primarily based on whether the Annual Usage commitment is met throughout the Activity Life as listed in the Scope of Work.

12.3.2 If the PERFORMING PARTY is required to return grant funds, the TCEQ, at its sole discretion, may allow for the return of a pro-rated share of the reimbursement funds reflecting a partial failure to perform the requirements of the Scope of Work. This determination shall depend on factors including, but not limited to, use of the Grant Equipment in a manner that maintained overall program eligibility, full completion of reimbursement and equipment disposition requirements, the PERFORMING PARTY's good-faith efforts to perform the grant activities during the Activity Life, and the PERFORMING PARTY's compliance with notification requirements of this Contract (e.g. notification before sale of equipment).

Assignment

12.4 State law and TCEQ policy require that the TCEQ remain in contractual privity with the entity operating the Grant Equipment. The TCEQ must retain the ability to enforce the usage and reporting commitments contained within the Scope of Work until the termination of this Contract. Any act by the PERFORMING PARTY that impairs the TCEQ's ability to enforce the usage and reporting commitments, including sale of the Grant Equipment, transfer of the Grant Equipment, loss of the Grant Equipment, sale of the PERFORMING PARTY's business interests, or liquidation of the PERFORMING PARTY's assets (including the Grant Equipment), constitutes a material breach of this Contract and requires the return of grant funds.

12.4.1 The decision by the TCEQ on whether to require return of grant funds may include consideration of whether the Grant Equipment will continue to be used in a manner consistent with the Scope of Work. If the TCEQ, in its sole discretion, allows the assignment of this Contract, the PERFORMING PARTY and proposed assignee will be required to enter a TCEQ Consent to Assignment agreement that shall include the assignee's obligation to accept this Contract and to continue to use the Grant Equipment subject to the terms of this Contract.

12.4.2 No delegation of the obligations, rights, or interests in the Contract, and no assignment of payments by PERFORMING PARTY will be binding on the TCEQ without its written consent, except as restricted by law. No assignment will release or discharge the PERFORMING PARTY from any duty or responsibility under the Contract.

ARTICLE 13. PERFORMING PARTY'S RESPONSIBILITIES TO THE TCEQ, DISPOSITION OF REPLACED EQUIPMENT

13.1 Unless an alternative disposition method is approved by the TCEQ, the PERFORMING PARTY agrees to dispose of the equipment being replaced by complete destruction or otherwise rendering them permanently inoperable. Standard disposition methods require completely crushing the equipment, including the engine, or

cutting a 3-inch or larger hole through the engine block on both sides (or otherwise destroying it) and cutting both frame rails in half. The structural damage to the equipment must be such that repairs are not possible.

13.2 Alternative disposition methods must be approved in writing by the TCEQ and documented in the Special Conditions of this Contract. If the PERFORMING PARTY is unable to dispose of the equipment and engine in accordance with an approved alternative disposition method, the PERFORMING PARTY agrees to dispose of the equipment and engine using the standard disposition methods. If the TCEQ approves disposition by remanufacturing, the engine must be sent to a remanufacturing facility operated or authorized by the original engine manufacturer. The remanufacture of the engine must include removing all parts and using the old block to build a remanufactured engine with a new serial number.

13.3 The equipment being replaced shall be destroyed within 90 days of the reimbursement payment being issued by the TCEQ for the replacement expenses. The TCEQ may grant an extension to this deadline without changing this Contract.

13.4 The PERFORMING PARTY shall submit on the TCEQ disposition forms information to verify the final disposition of the equipment replaced under this Contract. The PERFORMING PARTY must submit a copy of a Texas Nonrepairable Vehicle Title issued by the Texas Department of Motor Vehicles for the equipment replaced under this Contract. The Texas Nonrepairable Vehicle Title must be submitted with the other required disposition documentation. The final disposition information forms shall be submitted with the Request for Reimbursement or within 30 days after completion of the disposition, whichever occurs later.

13.5 The PERFORMING PARTY must submit photographs of the equipment being destroyed, both before and after the equipment is destroyed or rendered inoperable. TCEQ must approve the forms and supplemental documentation submitted by the PERFORMING PARTY to meet the disposition requirement. Such approval is at the sole discretion of the TCEQ. The PERFORMING PARTY shall provide the TCEQ with any clarification and additional documentation as requested by the TCEQ to approve disposition.

13.6 The PERFORMING PARTY agrees that failure to properly destroy or dispose of equipment replaced under this Contract in accordance with the destruction requirements or provisions of a TCEQ-approved alternative disposition plan shall require the return of the grant funds. This Article also applies to failure to provide properly completed final disposition documentation as required by this Contract.

ARTICLE 14. PERFORMING PARTY'S RESPONSIBILITIES TO THE TCEQ, INSTALLATION AND USE OF IDENTIFYING MARK, TRACKING DEVICE

Identifying Mark

14.1 Upon request by the TCEQ, the PERFORMING PARTY shall install, or allow the TCEQ or its contractor to install, a prominently-placed identifying mark on the equipment, identifying it as TERP-funded equipment, and containing such other information as the TCEQ shall specify. The PERFORMING PARTY may remove the mark upon the expiration of the Activity Life for each Grant Equipment.

Tracking Device - Voluntary

14.2 The PERFORMING PARTY may voluntarily install a device for tracking the location and usage of the Grant Equipment during the Activity Life.

14.3 Installation of a GPS tracking unit from the designated TGMS Contractor and maintenance of monitoring service through the designated TGMS Contractor waives the requirement of submission of written Monitoring Reports required under General Conditions, Article 15, of this Contract.

14.3.1 Waiver of the written Monitoring Reports shall continue so long as the PERFORMING PARTY maintains the GPS monitoring service. Termination of the GPS monitoring for any reason shall reinstate requirements for submission of written Monitoring Reports until the GPS monitoring service is restored.

14.4 The PERFORMING PARTY shall not tamper with or disable the GPS equipment or allow others to tamper with or disable the GPS equipment. Evidence of tampering with or disabling the GPS equipment will be considered a material breach of this Contract and shall reinstate requirements for submission of written Monitoring Reports.

14.5 The PERFORMING PARTY shall review data collected by the GPS monitoring service to ensure its accuracy.

14.5.1 On a semi-annual basis, the PERFORMING PARTY shall confirm the accuracy of collected GPS data for each Grant Activity and certify the data's accuracy using a form to be provided by the

TCEQ. Failure to submit this certification may be considered the PERFORMING PARTY's implicit confirmation that the GPS data is accurate. If the PERFORMING PARTY detects data that it does not consider accurate, the PERFORMING PARTY shall immediately notify the TCEQ and the TGMS Contractor of the discrepancies.

Tracking Device - Mandatory

14.6 Under circumstances where the TCEQ determines, at its sole discretion, that the PERFORMING PARTY is not meeting its commitments under this Contract, the TCEQ may require the PERFORMING PARTY to install, or allow the TCEQ or its contractor to install, a device for tracking the location and usage of the Grant Equipment. The PERFORMING PARTY will be required to bear the cost for the GPS equipment, installation, and monitoring service.

14.7 If the PERFORMING PARTY is required to install a tracking device, the PERFORMING PARTY and the TCEQ shall execute a separate GPS Monitoring Contract that will specifically define the terms of usage of the tracking device and associated monitoring services.

14.8 The PERFORMING PARTY agrees that failure to install a tracking device upon the TCEQ request will require the return of the reimbursement grant funds for the Grant Equipment.

GPS Data

14.9 The TCEQ recognizes that the PERFORMING PARTY may consider the information recorded and maintained by the tracking device to contain confidential trade secret information. The TCEQ will not release any of the information submitted to the TCEQ by the tracking device to any party outside the TCEQ, except as required under the Public Information Act or other applicable law. The information must be marked confidential for the TCEQ to withhold the information under the Public Information Act. The TCEQ shall inform the PERFORMING PARTY of any Public Information Act request for information marked confidential and refer the request to the Office of the Attorney General for a ruling on whether the information contains protected trade secret information. The TCEQ is not responsible for making arguments regarding trade secret status to the Attorney General; that is the responsibility of the PERFORMING PARTY.

ARTICLE 15. PERFORMING PARTY'S RESPONSIBILITIES TO THE TCEQ, PROJECT STATUS, LONG-TERM MONITORING AND REPORTING

15.1 If requested by the TCEQ, the PERFORMING PARTY shall provide information on the status and completion of grant activities. The PERFORMING PARTY shall provide such information on the designated form or in a format requested by the TCEQ, within a reasonable time frame.

15.2 As a condition of receiving grant funds, the PERFORMING PARTY agrees to submit properly completed Usage Reports to the TCEQ, on forms provided by the TCEQ, for the Activity Life. The Usage Reports shall include properly completed individual reports on the use of Grant Equipment for each activity, for the Activity Life. The PERFORMING PARTY will submit the required reports on the date specified by the TCEQ in the reporting instructions. Reports will be required annually unless an alternative schedule is approved by the TCEQ. The TCEQ may, at its discretion, authorize the PERFORMING PARTY to submit Usage Reports on a less frequent schedule or to suspend the reporting requirements, based on an assessment of compliance with the usage and reporting requirements.

15.3 The PERFORMING PARTY agrees that failure to adequately monitor the annual usage of Grant Equipment, failure to submit properly completed Usage Reports during the Activity Life, and/or submitting Usage Reports with false, incorrect, or incomplete information constitutes a material breach of this Contract and shall require the return of grant funds.

ARTICLE 16. PERFORMING PARTY'S RESPONSIBILITIES, ADMINISTRATIVE REQUIREMENTS

Access to Records, Grant Equipment, and Equipment Being Replaced

16.1 State Auditor's Office. The PERFORMING PARTY understands that acceptance of funds under this Contract acts as acceptance of the authority of the State Auditor's Office, or any successor agency, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the State Auditor's Office must provide the State Auditor with access to any information the State Auditor considers relevant to the investigation or audit. The PERFORMING PARTY further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. The PERFORMING PARTY will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the PERFORMING PARTY and the requirement to cooperate is included in any

subcontract it awards under this Contract. The PERFORMING PARTY will include in all subcontracts for work under this Contract a requirement that subcontractors will provide access to all relevant financial records including bank statements.

16.2 The PERFORMING PARTY shall allow access to all Grant Equipment, as well as equipment being replaced under this Contract by the TCEQ, the State of Texas, the State Auditor's Office, and any of their authorized representatives for the purpose of review, on-site inspection, and/or audit.

Maintenance of Records

16.3 The PERFORMING PARTY shall maintain books, records, documents, and other evidence reasonably pertinent to the performance of the Grant Activities and requirements of the Contract, including any amendments. All financial records will be maintained in accordance with generally accepted accounting principles, UGMS, and this Contract. This system shall provide for the identification, accumulation, and segregation of allowable and unallowable costs among projects. The PERFORMING PARTY shall also maintain the financial information and data used in the preparation or support of any Request for Reimbursement (direct and indirect), price or profit analysis, and a copy of any cost information or analysis submitted to the TCEQ. The PERFORMING PARTY shall allow access to all the material including bank statements and records to the TCEQ, the State of Texas, the State Auditor's Office, and any of their authorized representatives for the purpose of review, inspection, audit, excerpts, transcriptions, and/or copying during normal business hours. The PERFORMING PARTY shall provide appropriate facilities and equipment for such access and inspection.

16.4 Records under this Article shall be maintained by the PERFORMING PARTY during performance of Grant Activities under this Contract and for three (3) years after the termination of this Contract. If any litigation, claim, negotiation, audit, cost recovery, or other action (including actions concerning costs of items to which an audit exception has been taken) involving such records has been started before the expiration of the three year period, such records must be retained until completion of the action or resolution of all issues which arise from it, or until the end of the regular three year period, whichever is later.

16.5 Subject to the obligations and conditions set forth in this Contract, title to Grant Equipment acquired under this Contract by the PERFORMING PARTY will vest upon acquisition by the PERFORMING PARTY.

16.6 The PERFORMING PARTY may develop and use its own property management system, which must comply with all applicable federal, state, and local laws, rules, and regulations. If an adequate system for accounting for property owned by the PERFORMING PARTY is not in place or is not used properly, the *State Property Accounting Process User's Guide* (<https://fmx.cpa.state.tx.us/fmx/pubs/spaproc/index.php>) issued by the State Comptroller of Public Accounts will be used as a guide for establishing such a system. The property management system used by the PERFORMING PARTY must meet the requirements set forth in this Article:

- 16.6.1 Property records of Grant Equipment must be maintained that include a description of the property, a serial number or other identification number, the source of property, usage and mileage (separated by location of usage and mileage), who holds title, the acquisition date, the cost of the property, the percentage of the TCEQ's participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.
- 16.6.2 The PERFORMING PARTY will conduct a physical inventory of all Grant Equipment no less frequently than once every two years during the Activity Life and reconcile the results of such inventories with the appropriate property records. Property control procedures utilized by the PERFORMING PARTY must include adequate safeguards to prevent loss, damage, or theft of the Grant Equipment.

PERFORMING PARTY's Representative

16.7 The PERFORMING PARTY will identify in writing a Project Representative as the person authorized to receive and respond to inquiries and requests from the TCEQ, to manage the Grant Activities being performed, and to act on behalf of the PERFORMING PARTY.

16.8 The PERFORMING PARTY agrees to ensure that its authorized Project Representative, or someone to whom that person has delegated his or her authority, is available during regular business hours for consultation with the TCEQ. Written notice of any such delegation will be provided to the TCEQ.

16.9 Any notice issued pursuant to this Contract shall be addressed to the respective party's Project Representative or delegated authority. Such notices shall be written and hand-delivered or sent by first-class mail. Any notice or other written communication shall be considered delivered upon date of receipt.

Personnel

16.10 PERFORMING PARTY shall provide competent, suitably qualified personnel, whether employees or contractors, to implement the Grant Activities as required by the Contract.

Safety and Protection

16.11 Where applicable, the PERFORMING PARTY shall be responsible for requiring employees, contractors, and subcontractors to maintain and supervise all necessary safety precautions and programs in connection with the Grant Activities. The PERFORMING PARTY shall take all necessary safety precautions.

Permits

16.12 Unless otherwise provided in the Contract, the PERFORMING PARTY shall obtain and pay for all transportation, construction, and operating permits and licenses required for the performance of this Contract. Failure to comply with a permit or administrative order issued by the TCEQ or other state agency may result in a determination, within the sole discretion of the TCEQ, that the best interests of the state are served by withholding reimbursement or by the application of other remedies under this Contract.

Laws and Regulations

16.13 The PERFORMING PARTY shall give all notices and comply in all material respects with all Laws and Regulations applicable to the performance of the Grant Activities. Except where otherwise expressly required by applicable Laws and Regulations, the TCEQ shall not be responsible for monitoring PERFORMING PARTY's compliance with any Laws or Regulations.

Data and Publicity

16.14 All data and other information developed under this Contract shall be furnished, upon request, to the TCEQ and shall be public data and information except to the extent that it is exempted from public access by the Texas Public Information Act, Texas Government Code Chapter 552. The PERFORMING PARTY agrees to the disclosure of all information and reports resulting from public access to records under this Contract.

16.15 Upon termination of this Contract, if requested by the TCEQ, all copies of data and information developed under this Contract, including databases for which the costs of preparation are reimbursed under this Contract, shall be furnished at no charge to the TCEQ, and shall become the property of the TCEQ.

16.16 The PERFORMING PARTY agrees to notify the TCEQ prior to releasing any information to the news media regarding the Grant Activities. The PERFORMING PARTY will acknowledge the financial support of the TCEQ whenever a reimbursed Grant Activity, in whole or part, is publicized or reported in news media or publications.

Lobbying Activities

16.17 The PERFORMING PARTY shall not use funds provided under this Contract to support lobbying or political activity either directly or indirectly.

Accessibility

16.18 All electronic content and documents created as deliverables under this Contract must meet the accessibility standards prescribed in 1 Texas Administrative Code Sections 206.50 and 213 for state agency web pages, web content, software, and hardware, unless TCEQ agrees that exceptions or exemptions apply.

ARTICLE 17. TERMINATION

17.1 Termination of this Contract under any circumstances shall not constitute a waiver of any rights or remedies that the TCEQ may exercise under this Contract or otherwise as provided by law.

17.2 This Contract may be terminated in whole or in part by the TCEQ for cause, including a material failure to comply with the requirements of the Contract. Unless advance notice of intent to terminate will place funds of the state at increased risk, the TCEQ will provide written notice to the PERFORMING PARTY's Project Representative of its intent to terminate. The PERFORMING PARTY shall have twenty (20) calendar days from the date such notice is sent to cure performance deficiencies.

17.3 This Contract may be terminated in whole or part by the TCEQ if any delay or failure of performance of the Grant Activities by either the PERFORMING PARTY or the TCEQ is caused by a force majeure event, as determined by the TCEQ in its sole discretion.

17.4 This Contract may be terminated in whole or in part by the TCEQ for its convenience. Circumstances when this may occur include without limitation the Texas Legislature's withdrawal of the appropriation for this project or the depletion of the Texas Emissions Reduction Plan Fund, which results in the unavailability of funds to complete this project. To the extent feasible, at the sole discretion of the TCEQ, the TCEQ will provide a minimum of ten (10) days written notice of intent to terminate.

17.5 If, after termination for cause by TCEQ, it is determined that the PERFORMING PARTY had not materially failed to comply with the Contract, the termination shall be deemed to have been for the convenience of the TCEQ.

17.6 In accordance with this Contract, the PERFORMING PARTY does not have an expectation or entitlement of continued receipt of financial assistance under this Contract. Therefore, the PERFORMING PARTY waives any claim for damages arising from or resulting from the TCEQ's termination of this Contract for any reason.

17.7 If, during the performance of the Grant Activities, the PERFORMING PARTY chooses to not complete the Grant Activities and withdraw from the obligations under this Contract, the PERFORMING PARTY may terminate this Contract by providing ten (10) days written notice to the TCEQ and returning any reimbursements already received.

ARTICLE 18. REMEDIES AVAILABLE TO THE TCEQ

18.1 In accordance with Texas Government Code Chapter 2261, the following Schedule of Remedies applies in the event of the PERFORMING PARTY's breach of the requirements of this Contract; including the substandard performance of Grant Activities or other failure, material or otherwise, to conform to the requirements of the Contract or applicable law:

- 18.1.1 Issue notice of substandard performance or other non-conforming act or omission;
- 18.1.2 Reject substandard performance and request corrections without charge to the TCEQ;
- 18.1.3 Request and receive return of any over payments or inappropriate payments;
- 18.1.4 Reject reimbursement request and suspend payment pending accepted revision of substandard performance or non-conformity;
- 18.1.5 Reject reimbursement request and withhold and retain all or partial payments for recovery of administrative costs;
- 18.1.6 Suspend all or part of the Work and/or payments pending accepted revision of substandard performance or non-conformity;
- 18.1.7 Terminate the Contract without further obligation for pending or further payment by TCEQ and receive restitution of previous payments;
- 18.1.8 Demand restitution and recover payments where performance is subsequently determined non-conforming; or
- 18.1.9 Require payment of liquidated damages.

Liquidated Damages

18.2 The parties agree that reasonable compensation for breach of contract will be the sum consisting of total grant funds paid or obligated by the TCEQ reduced by a percentage reflecting the proportion of the total Activity Life for which the PERFORMING PARTY has submitted timely and accurate usage reporting that meet the requirements of the Scope of Work prior to the breach. Determination of timely and accurate usage reporting is at the sole discretion of the TCEQ. The PERFORMING PARTY hereby promises to pay, and the TCEQ hereby agrees to accept, such sum as liquidated damages and not as a penalty, in the event of such breach.

Cumulative Remedies

18.3 The TCEQ may avail itself of any remedy or sanction provided in this Contract or in law to recover any losses arising from or caused by the PERFORMING PARTY's substandard performance or any material non-conformity with the Contract or the law. The remedies and sanctions available to either party in this Contract shall not limit the remedies available to the parties under law.

ARTICLE 19. INDEMNIFICATION

19.1 To the extent permitted by law, the PERFORMING PARTY agrees to indemnify and hold harmless the State of Texas and the TCEQ, including its employees and officers, against and from any and all liability, loss, or damage arising out of actions of the PERFORMING PARTY, its subcontractors, agents, officers and directors, principals and employees in the performance of this Contract.

19.2 This paragraph is not intended and shall not be construed to require the PERFORMING PARTY to indemnify or hold harmless the State or the TCEQ for any claims or liabilities resulting from the negligent acts or omissions of the TCEQ or its employees.

ARTICLE 20. AMENDING AND SUPPLEMENTING CONTRACT DOCUMENTS

20.1 The Contract Documents may be amended to provide for additions, deletions, and revisions in one or more of the following ways: a formal Written Amendment or a Minor Change. All requests for changes to the Contract must be submitted in writing to the TCEQ. All Contract amendments must be in writing and signed by both parties.

20.2 Either party may change its Project Representative or make corrections to non-substantial typographical errors by providing written notice to the other party's representative(s).

ARTICLE 21. STANDARDS FOR PERFORMING PARTY'S PERFORMANCE

21.1 In accordance with Texas Government Code Chapter 2261, the TCEQ is required to monitor the PERFORMING PARTY's performance under this Contract. The PERFORMING PARTY agrees that the standards set forth below are appropriate standards for the PERFORMING PARTY's performance during the Contract.

21.1.1 Quality and Accuracy. The PERFORMING PARTY's Grant Activities conform to the requirements of this Contract.

21.1.2 Timeliness. The PERFORMING PARTY's Grant Activities are completed on schedule.

21.1.3 Reports and Administrative and Financial Operations. The PERFORMING PARTY's administrative and financial operations comply with all obligations in law and in this Contract, including record-keeping, reimbursement requests, audits, allowable costs, payments to subcontractors, and restricted expenditures.

21.1.4 Communication. The PERFORMING PARTY's accessibility, responsiveness, and cooperativeness with respect to any contract-related concerns communicated by the TCEQ; and the PERFORMING PARTY's demonstrated relationship with subcontractors.

21.1.5 Other. Other factors unique to the type of project, as determined by the TCEQ.

21.2 The TCEQ will monitor the PERFORMING PARTY's performance and evaluate the level of compliance with the standards utilizing the performance measures set forth below.

21.2.1 Exceeds Expectations. The PERFORMING PARTY fully complied with all the standards on a consistent basis.

21.2.2 Satisfactory Performance. The PERFORMING PARTY's performance complied with all of the standards, with only typical errors, delays, or other problems that needed to be corrected.

21.2.3 Marginal Performance. The PERFORMING PARTY's performance was acceptable, although a significant number of deficiencies had to be corrected before the contract requirements could be considered met.

21.2.4 Unsatisfactory Performance. The PERFORMING PARTY's performance was not acceptable, even after attempts to correct deficiencies.

Contractor Evaluation

21.3 The TCEQ may prepare a written evaluation of the performance of the PERFORMING PARTY upon completion of all reimbursements under this Contract and upon the completion of the Project Life, or more frequently, as deemed necessary by the TCEQ. A copy of the evaluation may be provided to the PERFORMING PARTY and a copy retained in the TCEQ's contract files. The content of the evaluation shall be wholly within the sole discretion of the TCEQ. The PERFORMING PARTY may provide a written statement which explains or disagrees with the evaluation, which will be incorporated into the evaluation. The PERFORMING PARTY waives any claim for damages against the TCEQ for the evaluation.

21.4 The performance rating on the contractor evaluations may be considered by the TCEQ in evaluating an application from the PERFORMING PARTY for additional funding under this program. The PERFORMING PARTY understands that a rating of marginal or unsatisfactory performance may have a negative impact on decisions regarding funding for additional projects applied for by the PERFORMING PARTY.

ARTICLE 22. MISCELLANEOUS

22.1 In order for this Contract to be effective, an authorized principal of an unincorporated business organization or association must sign the Contract. An agent signing for a corporation must be authorized to sign by the corporation.

22.2 Unless authorized in writing by the TCEQ in accordance with this Contract, no waiver of any obligation of the PERFORMING PARTY shall bind the TCEQ. Any such authorized waiver shall not constitute a continuing waiver of the obligation.

22.3 The PERFORMING PARTY is not a “vendor” of goods and services within the meaning of Texas Government Code Chapter 2251. Therefore, the provisions for interest on payments under that statute do not apply to this Contract.

22.4 By stating at any place in this Contract that any particular non-compliance is a material breach, the TCEQ does not limit the acts or omissions which may constitute a material breach.

22.5 The PERFORMING PARTY’s timely performance is essential to this Contract.

22.6 Child Support. Under Section 231.006 of the Texas Family Code, a child support obligor who is more than 30 days delinquent in paying child support and a business entity in which the obligor is a sole proprietor, partner, shareholder, or owner with an ownership interest of at least 25 percent is not eligible to receive a state-funded grant or loan. By executing this Contract, the PERFORMING PARTY certifies that the individual or business entity named in this Contract, bid, or application is not ineligible to receive the specified grant, loan, or payment and acknowledges that this Contract may be terminated and payment may be withheld if this certification is inaccurate.

22.7 All representations, indemnifications, warranties, and guarantees made in, required by, or given in accordance with the Contract, as well as all continuing obligations indicated in the Contract, will survive final payment, completion and acceptance of the Grant Activities, and termination or completion of the Contract until such time as enforcement of such representations, indemnifications, warranties, and guarantees is barred by the applicable statute of limitations.

22.8 Subject to the provisions of Article 12, General Conditions, the TCEQ and the PERFORMING PARTY each binds itself, its successors, assigns and agents to the other party’s successors, assigns and representatives in respect to all covenants, agreements, and obligations contained in the Contract.

22.9 The parties hereby agree that this Contract does not waive the State’s sovereign immunity relating to suit, liability, and the payment of damages. No TCEQ personnel or agents are authorized to waive sovereign immunity by accepting, on behalf of the TCEQ, goods or services which are not required under the Contract or any conforming amendment.

22.10 The PERFORMING PARTY acknowledges and agrees that this Contract has been executed, and will be administered in Travis County, Texas. The PERFORMING PARTY also acknowledges and agrees that any permissible cause of action involving this Contract will arise solely in Travis County. This provision does not waive the TCEQ’s sovereign immunity.
