

3.2 The PERFORMING PARTY must maintain sufficient property insurance for the repair or replacement of any Grant Equipment for the Reporting Period as required by the Contract, unless otherwise expressly agreed by the TCEQ. Failure to do so shall constitute a material breach of this Agreement.

3.3 Any insurance proceeds received by or on behalf of the PERFORMING PARTY under an insurance policy due to the damage or destruction of Grant Equipment must be utilized to acquire equivalent or better Grant Equipment or be paid to the TCEQ. Failure to do so shall constitute a material breach of this Agreement.

3.4 In order for this Contract to be effective, all authorized principals of an unincorporated business organization or association must sign the Contract. An agent signing for a corporation must be authorized to sign by the corporation.

ARTICLE 4. PURPOSE

The purpose of this Contract is to provide a grant to financially assist the PERFORMING PARTY in implementing the Grant Activities, in accordance with Chapter 393, Texas Health and Safety Code.

ARTICLE 5. FUNDS

Amount Limits on Funds

5.1 The TCEQ will reimburse the PERFORMING PARTY for the costs of the conforming Grant Activities. The maximum TCEQ reimbursement amount is shown on the Signature Page. Eligibility for reimbursement is subject to issuance by the TCEQ of a Notice to Proceed with the Grant Activities. The Contract does not guarantee a minimum amount of reimbursement.

5.2 Reimbursement is limited to costs determined by the TCEQ in its sole discretion as eligible costs.

5.3 **Time Limits on Funds (Period of Funds Availability)**—Costs to be reimbursed under this Contract must be incurred and paid by May 31, 2020.

5.4 The maximum TCEQ reimbursement amount is not a guarantee of payment. The actual amount of reimbursement may be less than the maximum and will be determined by the TCEQ.

ARTICLE 6. CONTRACT PERIOD

6.1 This Contract will commence on the Effective Date of the Contract.

6.2 The Contract Period shall be the period of time from the Effective Date through the Expiration Date listed on the Signature Page, unless the Contract is otherwise terminated in accordance with its terms.

6.3 Due to the time limitations on availability of grant funds, the TCEQ's obligation to reimburse the PERFORMING PARTY's allowable costs incurred and paid during the Period of Funds Availability shall expire forty-five (45) days after date indicated in Article 5.3. If no reimbursement has been requested or paid as of this date, this Contract will terminate without any further obligations to either party.

6.4 This Contract shall immediately terminate at the end of any state fiscal year for which the Texas Legislature fails to appropriate and/or to provide sufficient funds in the subsequent fiscal year necessary to perform this Contract.

ARTICLE 7. NOTICE TO PROCEED

7.1 The TCEQ's funding for the Grant Activities may currently be unavailable or uncertain and the amount of funding may be unknown. Efficient use of public funds may be achieved by entering into contracts with potential grantees in which reimbursements are contingent on availability of funds and a subsequent selection by the TCEQ. If funding for reimbursement grants becomes available, the TCEQ, in its sole discretion, will select which of the contingent agreements will receive reimbursement and will issue a Notice to Proceed for any selected project.

7.2 The PERFORMING PARTY may begin the Grant Activities, at its own risk, prior to receiving a Notice to Proceed. However, regardless of the availability of funding, if this Contract is not selected and a Notice to Proceed is not issued, the TCEQ will not provide reimbursement for the cost of the Grant Activities. If this Contract is selected, the TCEQ will issue to the PERFORMING PARTY a Notice to Proceed, after which all other obligations and provisions of this Contract shall apply. Either party may terminate this Contract prior to issuance of a Notice to Proceed, with no further obligation under this Contract.

7.3 Any cost incurred prior to the issuance of the Request for Grant Applications will not be considered as eligible for reimbursement.

7.4 Regardless of selection of this Contract and the issuance of the Notice to Proceed, the reimbursement of the costs of the Grant Activities is subject to all other requirements of this Contract. **This Contract does not create an entitlement to receive state funds and all payments are solely within the discretion of the TCEQ.**

ARTICLE 8. STATUS OF THE PERFORMING PARTY

The PERFORMING PARTY is not a “vendor” of goods and services within the meaning of Texas Government Code, Chapter 2251. Therefore, the provisions for interest on payments under that statute do not apply to this Contract.

ARTICLE 9. ELIGIBLE ACTIVITIES

The activities eligible for reimbursement are those contained in the Scope of Work and Approved Grant Budget.

ARTICLE 10. FUNDING, LEGAL AUTHORITY AND LIABILITY

10.1 This Contract and all claims, suits or obligations arising under or related to this Contract are subject to and limited to those funds which are both: 1) appropriated by the Texas Legislature for the purposes of this Contract and 2) actually received and deposited into an account of the treasury dedicated to the TCEQ for the purposes of this Contract.

10.2 Any state funds provided are appropriated to the TCEQ under the Appropriations Act (Senate Bill 1) of the 85th Texas Legislature and expenditure is authorized by Chapters 386 and 393, Texas Health and Safety Code.

10.3 This Contract is entered into by and between the TCEQ and the PERFORMING PARTY pursuant to authority contained in the Texas Water Code, Chapter 5, Subchapter D, Section 5.124 (Authority to Award Grants) and Texas Water Code, Section 5.229, pertaining to the TCEQ's general authority to enter contracts.

10.4 Available funding is wholly contingent upon appropriations by the Texas Legislature and the amount of fees actually received in the Texas Emissions Reduction Plan Fund and available for funding this grant. Therefore, this Contract may be terminated in whole or in part by the TCEQ for circumstances which may occur including without limitation to the Texas Legislature's withdrawal of the appropriation for this project or the depletion of the Texas Emissions Reduction Plan Fund, which results in the unavailability of funds to complete this project. To the extent feasible, in the sole discretion of the TCEQ, the TCEQ will provide a minimum of ten (10) days written notice (delivered by certified mail, return receipt requested) of intent to terminate.

ARTICLE 11. REPRESENTATIONS

The PERFORMING PARTY hereby ratifies and attests to all representations and certifications in the grant application and deliverables it has provided to the TCEQ during the proposal process and agrees to give prompt written notice to the TCEQ if there is any material change in these certifications or deliverables.

ARTICLE 12. CONTRACT DOCUMENTS

- 12.1.3 The Alternative Fueling Facilities Program (AFFP) Special Conditions.
- 12.1.4 The Approved Grant Budget.
- 12.1.5 The Insurance Section.
- 12.1.6 The General Conditions for Alternative Fueling Facilities Program Grants.
- 12.1.7 The TCEQ Request for Grant Applications, incorporated herein by reference.
- 12.1.8 The PERFORMING PARTY's Original AFFP Grant Application, incorporated herein by reference.
- 12.1.9 The following which may be delivered or issued after the Effective Date of the Contract and are not attached hereto: all written Notices to Proceed, Amendments, and other documents amending, modifying, or supplementing the Contract Documents pursuant to the General Conditions.

12.2 A listed document includes all amendments to the document.

12.3 There are no Contract Documents other than those listed above in this Article. The Contract Documents may be amended, modified, or supplemented only as provided in the General Conditions.

ARTICLE 13. ELIGIBILITY FOR COST REIMBURSEMENT

13.1 The TCEQ will reimburse the PERFORMING PARTY for those costs which are eligible for reimbursement in accordance with all requirements of this Contract. Costs are considered eligible for reimbursement when the TCEQ, in its sole discretion, determines that the costs are the reasonable, necessary, actual, and allowable costs of implementing the Grant Activities approved by the TCEQ. Costs must be included in the Approved Grant Budget to be eligible for reimbursement. Determinations of eligibility for reimbursement are solely within the discretion of the TCEQ.

13.2 **Procurement.** The requirements of the Texas Uniform Grants Management Standards (UGMS), Part III. State Uniform Administrative Requirements for Grants, Subpart C, Post-Award Requirements ___36 Procurement, will apply within the discretion of the TCEQ.

Reasonable Costs

13.3 To be reimbursable, a cost must be reasonable. Criteria for determining reasonableness of costs include the following:

- 13.3.1 Whether it is the type of cost generally recognized as ordinary and necessary for the conduct of the PERFORMING PARTY's business or the performance of the Grant Activities;
- 13.3.2 Generally accepted sound business practices, competitive procurement, arm's length bargaining, and Federal and State laws and regulations;
- 13.3.3 The PERFORMING PARTY's responsibilities to the TCEQ, other customers, the owners of the business, employees, and the public at large; and
- 13.3.4 Any significant deviations from accepted industry-established practices.

13.4 In general, for the cost of the PERFORMING PARTY's goods and services to be reasonable, they must be procured through a competitive process in which bids, quotes, or proposals are solicited from an adequate number of qualified suppliers. Where competition is not feasible, UGMS ___36 permits non-competitive procurement. For non-competitively procured items, the reasonableness of the PERFORMING PARTY's costs must be established through a price analysis, which the PERFORMING PARTY shall submit to the TCEQ upon request. A price analysis analyzes a vendor's price in comparison to other market prices for similar goods and services. A price analysis should compare at least three vendors' prices. For non-competitively procured items, the PERFORMING PARTY must perform a cost analysis analyzing the vendor's costs to produce the goods & services, which the PERFORMING PARTY shall submit to the TCEQ upon request.

Necessary Costs

13.5 Necessary costs include costs which are directly attributable to the implementation of the Grant Activities and must be included in the original application and the Approved Grant Budget.

13.6 Unless expressly authorized by the TCEQ, necessary costs do not include:

- 13.6.1 the cost of money;
- 13.6.2 the interest charges on a purchase money loan, or on a deferred payment purchase agreement; or
- 13.6.3 the cost of converting from a lease to a purchase at the end of the lease period.

Actual Costs

13.7 The criteria for actual costs include:

- 13.7.1 the direct costs paid for implementing the Grant Activities; or
- 13.7.2 the true price charged by a vendor/contractor to the PERFORMING PARTY for implementing the Grant Activities.

13.8 Unless expressly authorized by the TCEQ, actual costs do not include:

- 13.8.1 amounts deducted from the true price of the purchase or lease of Grant Equipment whether as discounts, rebates, refunds or otherwise;
- 13.8.2 amounts which the PERFORMING PARTY owes or agrees to pay the vendor or contractor for any purpose other than the implementation of Grant Activities;

- 13.8.3 amounts in the charges which the vendor/contractor intends to return to the PERFORMING PARTY in the form of cash, goods, services, gifts, intangibles, discounts or any other items of value; and
- 13.8.4 amounts which are reimbursed by other public sources or for which tax credits or other public financial incentives are received by the PERFORMING PARTY.

13.9 The PERFORMING PARTY's and its subcontractors' documentation of expenses is required under the General Conditions.

13.10 **Allowable Costs.** In order to be allowable, costs must be included in the Approved Grant Budget, and must satisfy the requirements of: this Contract, the UGMS, state agency rules, and all applicable state and federal laws.

13.11 If travel costs are expressly authorized in the Approved Grant Budget, reimbursement of travel costs may not exceed the amounts explained in this section.

- 13.11.1 Reimbursement for lodging and meals within the State of Texas is to be equal to the rates allowed for state employees under the [State Travel Management Program](http://comptroller.texas.gov) detailed on the State Comptroller's website, <http://comptroller.texas.gov>.
- 13.11.2 Reimbursement for lodging and meals when traveling outside of the State of Texas is to be equal to the rates allowed for state employees under the State Travel Management Program and may not exceed the maximum established in the federal General Services Administration travel regulations.
- 13.11.3 Mileage reimbursement rates are also established in the State Travel Management Program.
- 13.11.4 Expenses for lodging and meals are limited to only actual expenses and must be supported by receipts to be reimbursable.

13.12 **Indirect Costs.** Indirect costs are not reimbursable under the terms of this Contract unless included in the project budget and approved in advance by the TCEQ as a specific budget line item.

13.13 **Preapproval of Costs.** If the specific details of costs to be incurred under the "Travel," "Equipment," "Contractual," "Construction," or "Other" costs categories are not already explained in the Approved Grant Budget, including any Supplemental Activity Application Forms, then prior to incurring those costs, the PERFORMING PARTY must submit revised forms to show those details and receive authorization from the TCEQ for those expenses.

13.14 Upon TCEQ request, prior to signing a subcontract to be funded under this Contract, the PERFORMING PARTY must submit the subcontract to the TCEQ for review and must receive approval from the TCEQ before entering into the subcontract.

13.15 **Additional Evidence.** The TCEQ may at any time before or after reimbursement, as necessary in its sole discretion, request additional evidence concerning costs.

13.16 **Additional Criteria for Reimbursement.** The TCEQ may at any time, in its sole discretion, establish additional criteria and requirements for reimbursement of costs as serves the best interest of the State.

13.17 **Costs in Approved Grant Budget are Maximum Amounts, Not a Guarantee.** Amounts of costs stated in the Approved Grant Budget are maximum amounts of reimbursement. By stating the amounts, the TCEQ does not 1) guarantee payment of those amounts or 2) waive the requirements for reimbursement which must subsequently and continually be satisfied by the PERFORMING PARTY. The amount of costs for which reimbursement may be requested is the lesser of: 1) the costs stated in the Approved Grant Budget or 2) the actual eligible costs.

13.18 **No Entitlement to Funds.** The PERFORMING PARTY has a continuing obligation to satisfy the requirements for reimbursement. Neither a request for reimbursement nor the TCEQ's payment of reimbursement nor any other action will establish an entitlement in the PERFORMING PARTY to payment from the TCEQ.

13.19 By paying a request for reimbursement, the TCEQ does not waive any requirements for the reimbursement of costs. The TCEQ may at any time before or after reimbursement, in its sole discretion, request additional evidence concerning costs. The TCEQ may audit the records of the PERFORMING PARTY and may also audit the PERFORMING PARTY's performance as to the Grant Activities, and the Administrative Requirements.

13.20 **Offsets for debts owed to the State.** The TCEQ may offset against reimbursement payments, any amounts owed by the PERFORMING PARTY or its principals to the TCEQ or the State of Texas or for child support.

13.21 **Tax Credits and Other Incentives.** The PERFORMING PARTY shall notify the TCEQ, in its request for reimbursement, of any financial incentive received by the PERFORMING PARTY which was not included in the Approved Grant Budget, if that incentive will offset the cost of the proposed project, including tax credits or deductions, or other grants, or any other public financial assistance, provided such grant or other public financial assistance is paid to the PERFORMING PARTY for the effort identified in the Scope of Work under this Agreement. The TCEQ, in reimbursing the PERFORMING PARTY, may reduce the amount of authorized incremental costs eligible for reimbursement, by the value of any additional financial incentive received by the PERFORMING PARTY, without a Written Amendment to this Contract.

ARTICLE 14. THE PERFORMING PARTY'S RESPONSIBILITIES TO THE TCEQ - GRANT ACTIVITIES

14.1 All Grant Activities for which reimbursement is requested must be completed as set forth in the Approved Grant Budget, including any supplemental conditions attached thereto.

14.6 **The PERFORMING PARTY's Responsibility for Purchases.** Any purchase made by the PERFORMING PARTY, especially any purchase not proposed/scheduled for reimbursement by the TCEQ, is made at its own risk.

14.7 Unless otherwise expressly agreed by the TCEQ, all Grant Equipment will be of good quality and as provided in the Contract. All materials and equipment shall be applied, installed, connected, erected, used, cleaned and conditioned, and maintained in accordance with instructions of the applicable manufacturer and supplier, except as otherwise provided in the Contract.

14.8 The PERFORMING PARTY agrees to maintain the Grant Equipment as necessary to keep the Grant Equipment in good condition and functioning at optimum performance during the Reporting Period.

14.9 **Proof of Insurance.** During the Implementation Period, the PERFORMING PARTY shall supply proof that it is insured for project completion/ replacement and liability. Project completion/replacement insurance shall be sufficient to cover lost equipment and time/effort in case of a disaster. Unless specifically waived by the TCEQ, sufficient coverage shall include Workers Compensation and Employer's Liability Insurance, Commercial Automobile Liability Insurance, and Commercial General Liability Insurance as set out in the Insurance Section of this Contract. The TCEQ may request proof of insurance upon award or anytime during the Implementation Period. Governmental entities may use an established self-insurance program to satisfy this requirement. If requested by the TCEQ, the PERFORMING PARTY shall provide additional proof of insurance coverage, including declaration pages and copies of policies. The TCEQ may approve alternative forms of insurance to comply with this requirement, including evidence of self-insurance. The TCEQ may also waive this requirement, at its discretion, for certain types of entities. Previously submitted certificates of insurance coverage may be amended to reflect newly extended coverage. A failure to comply with this requirement is considered a material breach of the Contract.

- 14.9.1 In addition to the requirements of the Insurance Section, the PERFORMING PARTY shall require its contractors and suppliers to obtain and maintain insurance during the Implementation Period with adequate insurance coverage (see Insurance Section for minimum limits) sufficient to protect the PERFORMING PARTY from all claims and liability for injury to persons and for damage to property arising from the Contract, whether caused by the PERFORMING PARTY or by the contractor(s) or by anyone directly or indirectly employed by either. Unless specifically waived by the TCEQ, sufficient coverage shall include but are not limited to Workers Compensation and Employer's Liability Insurance, Commercial Automobile Liability Insurance, and Commercial General Liability Insurance.
- 14.9.2 The PERFORMING PARTY shall be responsible for ensuring that all required insurance has been issued and continues in force throughout the Implementation Period of this grant.
- 14.9.3 The TCEQ reserves the right to require additional insurance coverage during the term of this Contract.

14.10 Upon the occurrence of a repairable malfunction of or damage to Grant Equipment during the Reporting Period, the PERFORMING PARTY will cause the Grant Equipment to be repaired and restored to the level of optimum performance.

14.11 Upon the occurrence of loss, theft, or irreparable damage of Grant Equipment during the Reporting Period, the PERFORMING PARTY will cause the lost, stolen, or damaged Grant Equipment to be replaced with similar equipment which achieves the same optimum performance or better. The PERFORMING PARTY will cause the replacement Grant Equipment to be in operation no later than 60 consecutive days from the occurrence of loss, theft, or damage, unless the TCEQ expressly agrees to a longer period. Replacement Grant Equipment is subject to all the requirements applicable to Grant Equipment contained in this Contract.

14.12 The PERFORMING PARTY shall make every effort to meet the terms of the approved project plan and time line and must submit a written plan to the TCEQ describing any revisions to the plan and time line.

ARTICLE 15. THE PERFORMING PARTY'S RESPONSIBILITIES – ADMINISTRATIVE REQUIREMENTS

15.1 **Maintenance of Records and Access.** The PERFORMING PARTY shall maintain books, records, documents, and other evidence reasonably pertinent to performance of the Grant Activities and requirements of the Contract, including the Contract amendments thereto. All financial records will be maintained in accordance with generally accepted accounting principles, the UGMS, and this Contract. The PERFORMING PARTY shall also maintain the financial information and data used in the preparation or support of any request for reimbursement (direct and indirect), price or profit analysis for this Contract, and a copy of any cost information or analysis submitted to the TCEQ. The PERFORMING PARTY shall allow access to all the material including bank statements and records by the TCEQ, the State of Texas, the State Auditor's Office, and any of their authorized representatives for the purpose of review, inspection, audit, excerpts, transcriptions, and/or copying during normal business hours. The PERFORMING PARTY shall provide appropriate facilities and equipment for such access and inspection.

15.2 **State Auditor's Office.** The PERFORMING PARTY understands that acceptance of funds under this Contract acts as acceptance of the authority of the State Auditor's Office, or any successor agency, to conduct an audit or investigation in connection with those funds. The PERFORMING PARTY further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. The PERFORMING PARTY will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the PERFORMING PARTY and the requirement to cooperate is included in any subcontract it awards under this Contract. The PERFORMING PARTY will include in all subcontracts for work under this Contract a requirement that subcontractors will provide access to all relevant financial records including bank statements.

15.3 The PERFORMING PARTY agrees to the disclosure of reports resulting from access to records under this Contract.

15.4 Records under this Article shall be maintained by the PERFORMING PARTY during performance of Grant Activity under this Contract and for three (3) years after fulfillment of all contractual obligations. If any litigation, claim, negotiation, audit, cost recovery, or other action (including actions concerning costs of items to which an audit exception has been taken) involving such records has been started before the expiration of the three-year period, such records must be retained until completion of the action or resolution of all issues which arise from it, or until the end of the regular three-year period, whichever is later. The PERFORMING

PARTY must maintain a second back-up copy of such records which are maintained off-site (in a different physical location than the primary back-up) in a secure location.

This system shall provide for the identification, accumulation, and segregation of allowable and unallowable project costs among projects.

15.6 **Personnel.** The PERFORMING PARTY shall provide competent, suitably qualified personnel, whether employees or contractors to implement the Grant Activities as required by the Contract. The PERFORMING PARTY must at all times maintain good discipline and order on the location of Grant Activities.

15.7 **Permits.** Unless otherwise provided in the Contract, the PERFORMING PARTY shall obtain and pay for all applicable permits and licenses required for this performance of this Contract. Failure to comply with a permit issued by the TCEQ or other state agency may result in a determination, within the sole discretion of the TCEQ that the best interests of the state are served by withholding reimbursement or by the application of other remedies under this Contract.

15.8 **Laws and Regulations.** The PERFORMING PARTY shall give all notices and comply in all material respects with all Laws and Regulations applicable to furnishing and performance of the Grant Activities. Except where otherwise expressly required by applicable Laws and Regulations, the TCEQ shall not be responsible for monitoring the PERFORMING PARTY's compliance with any Laws or Regulations.

15.9 **Data and Publicity.** The PERFORMING PARTY agrees to notify the TCEQ prior to releasing any information to the news media regarding the Grant Activities.

15.10 The PERFORMING PARTY will acknowledge the financial support of the TCEQ whenever a Grant Activity reimbursed, in whole or part, is publicized or reported in news media or publications. Reports and other documents, including news releases or public announcements, prepared as a part of this Contract, or referencing the Grant Activities under this Contract, shall carry the following or similar notation on the front cover or title page:

This project is funded in part by the State of Texas through an Alternative Fueling Facilities Program Grant from the Texas Commission on Environmental Quality.

15.10.1 The PERFORMING PARTY must display the TCEQ logo on any signage posted at the worksite during the Implementation Phase of the Grant Activities in a manner that informs the public that the project is part of the Alternative Fueling Facilities Program. The TCEQ logo may be obtained from the TCEQ. The TCEQ logo must not be displayed in a manner that implies that TCEQ itself is conducting the project. Instead, the TCEQ logo must be accompanied with a statement indicating that the Performing Party received financial assistance from the TCEQ for the project.

15.11 **Public Information.** The Texas Public Information Act, Texas Government Code Chapter 552, applies to all data and information delivered to the TCEQ in the course of performance of the Grant Activities. The TCEQ assumes no obligation to make legal arguments in support of any claims pertaining to confidentiality, patents, trade secrets, or copyright.

15.11.1 If the PERFORMING PARTY is claiming that data and information submitted to the TCEQ contains confidential or proprietary information, that information **MUST** be clearly marked **"Confidential/Proprietary: inform applicant & seek AG opinion before releasing"** on every page and must be submitted separately from all other material. Any information that is so marked, if requested under the PIA, will be sent by the TCEQ to the Texas Attorney General (AG) for a decision on whether it may be withheld. Note that the AG may determine that the information is not confidential and therefore must be released. The TCEQ will inform the PERFORMING PARTY of the request for the AG's decision but will make no arguments in support of the request. It is the responsibility of the PERFORMING PARTY to explain the basis for its claim that the information is confidential.

15.12 **Safety and Protection.** Where applicable, the PERFORMING PARTY shall be responsible for requiring employees, contractors, and subcontractors to maintain and supervise all necessary safety precautions and

programs in connection with the Grant Activities. The PERFORMING PARTY shall take all necessary precautions to protect the health and safety of the public during performance of the Grant Activities.

15.13 The PERFORMING PARTY shall not perform the Grant Activities in a manner that would create a dangerous condition or otherwise endanger the health and safety of the public.

15.14 In performing the Grant Activities hereunder, the PERFORMING PARTY undertakes performance for its own benefit and not as agent for the TCEQ.

15.15 **Lobbying Activities.** As set forth in this Contract, and in accordance with the UGMS and State law, the PERFORMING PARTY shall not use funds provided under this Contract to support lobbying or political activity either directly or indirectly.

15.16 **Accessibility.** Effective September 1, 2006, state agencies and institutions of higher education are required to procure products which comply with the State of Texas Accessibility requirements for Electronic and Information Resources specified in 1 TAC Chapters 206 and 213 when such products are available in the commercial marketplace or when such products are developed in response to a procurement solicitation. Grantee shall provide all required reports in accessible format, adhering to all applicable requirements of 1 TAC Chapters 206 and 213.

ARTICLE 16. TCEQ'S RESPONSIBILITIES

16.1 The TCEQ will not supervise, direct or have control or authority over, nor be responsible for, the PERFORMING PARTY's means, methods, techniques, sequences or procedures relating to the implementation project or the Safety precautions and programs incident thereto, or for any failure of the PERFORMING PARTY to comply with Laws and Regulations applicable to the furnishing or performance of the work. The TCEQ will not be responsible for the PERFORMING PARTY's failure to perform or furnish the work in accordance with the Contract.

16.2 The Executive Director of the TCEQ will identify a person authorized to give direction to the PERFORMING PARTY and act on behalf of the TCEQ.

16.3 The TCEQ shall provide reimbursement funds for Grant Activities specified in the Scope of Work and performed in accordance with the requirements of this Agreement.

ARTICLE 17. REQUEST FOR REIMBURSEMENT

17.1 In order to receive reimbursement for eligible expenses, the PERFORMING PARTY shall submit no more frequently than monthly, a completed TCEQ request for reimbursement form, to be made available to the PERFORMING PARTY by the TCEQ. The request and forms shall be mailed or delivered to the TCEQ at the AUTHORIZED REPRESENTATIVES/ LOCATION OF RECORDS address listed in the AUTHORIZED REPRESENTATIVES/ LOCATION OF RECORDS section in this document.

17.2 **Retained Funds.** The TCEQ may retain up to 25% of the total reimbursement funds pending the successful completion of the Implementation Period of the Grant Activities. The total of Retained Funds withheld will be released based upon the submission of the "Request for Reimbursement of Retained Funds" form that will be provided to the Grantee for their signature once the final implementation report has been submitted and approved. The TCEQ may, at its discretion, release the final reimbursement funds prior to the completion of the Implementation Period, subject to a determination that the project will be completed.

17.3 The Request for Reimbursement shall be completed on forms provided by the TCEQ. The report, including all required supplemental forms, shall list, for each activity, the total expenses obligated under a lease or financing agreement, the total activity expenses incurred to date, the baseline cost, and the incremental costs incurred to date. The report shall also list and explain any additional financial incentive received by the PERFORMING PARTY that directly offsets the activity costs reported by the PERFORMING PARTY, including tax credits or deductions, other grants, or any other public financial assistance.

17.4 To be eligible for reimbursement under this Contract, a cost must have been incurred and paid by the PERFORMING PARTY during the Period of Funds Availability and prior to claiming reimbursement from the TCEQ. A cost may not be considered incurred until the Grant Equipment and/or goods and services included under the cost have been received and accepted by the PERFORMING PARTY. The cost must have been paid by the PERFORMING PARTY prior to claiming reimbursement.

17.5 If financial incentives, including tax credits or deductions, other grants, or any other public financial assistance, are received by the PERFORMING PARTY and used to pay or offset costs subject to reimbursement; the reimbursement available under this Contract will be reduced accordingly.

17.6 The final request for reimbursement shall be submitted to the TCEQ by no later than forty-five (45) days after the date listed in Article 5.3 of this contract.

17.7 All request for reimbursement forms shall contain sufficient identification of and information concerning the costs incurred or obligated under a lease or financing agreement and paid so as to enable the TCEQ to ascertain the eligibility of a particular cost and to enable subsequent audit thereof. Supporting documentation materials, as directed by the TCEQ in the instructions accompanying the forms, shall be attached to the report forms to clearly show that the cost was incurred and, except where the payment is assigned to another entity, paid.

17.8 If the requests for reimbursement do not satisfactorily demonstrate the accomplishment of the required tasks, or that costs are allowable, eligible, actual, and incurred and paid costs, the TCEQ may reject the request, until such time as the deficiencies have been corrected. Satisfactory accomplishment of a task is within the judgment of the TCEQ; however, such judgment must be reasonable.

17.9 The TCEQ is not obligated to make payment until the request for reimbursement is approved by the TCEQ. Further, the TCEQ reserves the right to suspend or withhold all or part of a payment or all payments as authorized by the Contract.

17.10 All requests for reimbursement under this Contract shall be submitted in accordance with the requirements set forth in this Contract. Such submittals shall contain sufficient detail for audit thereof.

17.11 The TCEQ may at any time before or after reimbursement, as necessary in its sole discretion, request additional evidence concerning costs.

17.12 The reimbursement of funds is contingent upon the PERFORMING PARTY's satisfactory adherence to the terms of this Contract. Failure to adhere to the terms of this Contract, in particular those requirements concerning progress and financial reporting or the documentation of reported expenditures, shall be grounds for the TCEQ to: suspend payments pending the PERFORMING PARTY's satisfactory completion, revision, or correction of services or reports; or for termination of this Contract in accordance with the General Conditions and for such other remedies as are allowed by law.

17.13 **Required Forms.** The PERFORMING PARTY, and any subcontractor or sub-recipient, in order to obtain reimbursement for those expenditures authorized under this Contract, shall submit, pursuant to the Grant Activities, a fully completed and legible:

- 17.13.1 Reimbursement Forms;
- 17.13.2 Supplemental Request for Reimbursement Form(s) for those budget categories with expenses; and
- 17.13.3 Release of Claims (the PERFORMING PARTY only and only with the Request for Reimbursement of Retained Funds);
- 17.13.4 Provide proof of payment for all costs for which reimbursement is requested.

17.14 **Request for Reimbursement.** Each filed TCEQ Request for Reimbursement (RFR) shall contain sufficient identification of, and information concerning, the costs incurred so as to enable the TCEQ to ascertain the eligibility of a particular expenditure and to enable subsequent audit thereof. Each RFR shall indicate, for each budget category the PERFORMING PARTY's project expenditures for the period in question, the cumulative expenditures with respect to each budget category, and the balance remaining in each budget category following reimbursement of the amount being requested.

17.15 **Historically Underutilized Business (HUB).** The PERFORMING PARTY will use its best efforts to provide opportunities for HUBs to participate in subcontracting under this Contract. The PERFORMING PARTY must notify the TCEQ of the steps it has taken to provide opportunities for HUBs to participate, and the extent to which HUBs are being utilized as subcontractors under this Contract.

17.16 **Required Documentation.** When the PERFORMING PARTY is required to attach source documentation for a reimbursable cost that documentation shall:

- 17.16.1 be legible;
- 17.16.2 identify the specific piece of equipment received or the services provided;

- 17.16.3 clearly identify the vendor or subcontractor who provided the equipment or services (the PERFORMING PARTY shall require all subcontractors to use the Financial Status Report forms and Request for Reimbursement forms to file for reimbursement of services and equipment);
- 17.16.4 confirm the reimbursable amount listed on the form; and.
- 17.16.5 provide proof of payment for all costs for which reimbursement is requested.

The documentation shall consist of an itemized and dated invoice that shows the amount billed to the PERFORMING PARTY, any “past due” amount from previous invoices, and explanation of services provided. The PERFORMING PARTY or subcontractor must provide any other documentation requested by the TCEQ. Although canceled checks represent the preferred types of documentation for purposes of this section, the PERFORMING PARTY or subcontractor may substitute/attach other records or documents that provide the same type of information, such as issued purchase orders and/or invoices marked “received/paid”, or other evidence of payment.

17.17 Vendor or Sub-grantee Services Not Procured Using Price Competition. Information detailing the expenses incurred, as outlined in the AFFP Reimbursement Forms shall be submitted along with an explanation of the services provided. For any expenses (goods or services) which are not procured using price competition, the PERFORMING PARTY must perform a price or cost analysis to determine the reasonableness of the price and maintain documentation of such analysis which shall be produced to the TCEQ upon request.

17.18 Personnel/Salary or Fringe. All requests for reimbursement of expenditures that fall within either the Personnel/Salary or Fringe categories of the Approved Grant Budget shall be itemized by the PERFORMING PARTY or subcontractor in the AFFP Reimbursement Forms

- 17.18.1 **Personnel/Salary.** No supporting documentation is required to be attached to the AFFP Reimbursement Forms with respect to reported “Personnel/Salary” expenditures in order to receive reimbursement. The PERFORMING PARTY or subcontractor is expected to maintain signed time sheets that can serve to verify the total, overall hours of staff time being directly billed to this Contract.
- 17.18.2 **Fringe.** No supporting documentation is required to be attached to the AFFP Reimbursement Forms with respect to reported “Fringe” expenditures in order to receive reimbursement. The PERFORMING PARTY or subcontractor is expected to maintain signed time sheets that can serve to verify the fringe rate and the total, overall hours of staff time being directly billed to this Contract.

17.19 Travel. With respect to employee travel, all costs listed in the AFFP Reimbursement Forms must be documented with information that identifies the name of the traveler(s), dates of travel, purpose/location of travel, costs for meals, transportation, and lodging to substantiate the reported reimbursable costs. Documentation which must be maintained by the PERFORMING PARTY or subcontractor and made available during an on-site audit/monitoring visit, or upon request, for the purpose of substantiating travel-related costs, includes the following: (1) legible copies of the PERFORMING PARTY- or subcontractor-approved travel vouchers, or other equivalent documentation, signed by the employees who traveled; and (2) any travel-related expenses under this Contract borne directly by the PERFORMING PARTY or subcontractor (and for which reimbursement by the PERFORMING PARTY to the traveler was not required). Provide separate receipts showing, at a minimum, the traveler’s name, the travel location, and the travel date(s). Travel by volunteers will not be reimbursed.

17.20 Equipment. All requests for reimbursement of expenditures that fall within the Equipment categories of the Approved Grant Budget shall be itemized by the PERFORMING PARTY or subcontractor in the AFFP Reimbursement Forms. In addition, the PERFORMING PARTY or subcontractor shall attach, for each reimbursable cost listed in the AFFP Reimbursement Forms, documentation as specified in the *Required Documentation* paragraph in this section. An updated equipment inventory shall be attached to reimbursement requests with equipment purchases.

17.21 Contractual and Construction. All requests for reimbursement of expenditures that fall within the Contractual and Construction categories of the Approved Grant Budget shall be itemized by the PERFORMING PARTY or subcontractor in the AFFP Reimbursement Forms. In addition, the PERFORMING PARTY or subcontractor shall attach, for each reimbursable cost listed in the AFFP Reimbursement Forms, documentation as specified in the *Required Documentation* paragraph in this section.

17.22 **Supplies.** All requests for the reimbursement of expenditures that fall within the Supplies categories of the Approved Grant Budget shall be itemized by the PERFORMING PARTY or subcontractor in the AFFP Reimbursement Forms.

17.23 **Other.** All requests for the reimbursement of expenditures that fall within the Other categories of the Approved Grant Budget shall be itemized by the PERFORMING PARTY or subcontractor in the AFFP Reimbursement Forms.

17.24 The TCEQ may reject requests for reimbursement that fail to demonstrate that costs are eligible for reimbursement or which fail to conform to the requirements of the Contract.

17.25 In determining the amount of the final payment, the TCEQ may withhold from reimbursement the amount of any over payment and any reasonable amount until the TCEQ is satisfied that all conditions and requirements are completed and accepted.

17.26 All requests for reimbursement must be signed by an authorized representative of the PERFORMING PARTY.

17.27 **Documentation of Project Expenses.** The PERFORMING PARTY shall maintain accurate and detailed documentation to evidence the payment of expenses. The PERFORMING PARTY shall provide such documentation upon request and for any audit purposes. This documentation shall be maintained for at least three (3) years after the end of this Contract.

ARTICLE 18. PROGRESS REPORT; LONG TERM MONITORING AND REPORTING

18.1 During the Implementation Period, the PERFORMING PARTY shall submit to the TCEQ within ten (10) days following the end of each calendar quarter (March 31, June 30, September 30, December 31) a properly completed Progress Report describing the Grant Activities completed during the previous quarter.

18.2 A Final Implementation Phase report shall be submitted to the TCEQ after implementation of all Grant Activities has been completed in accordance with the Scope of Work.

18.3 As a condition of receiving grant funds, the PERFORMING PARTY agrees to operate the Grant Equipment as detailed in the Scope of Work, for the Operations Period.

18.4 As a condition of receiving grant funds, the PERFORMING PARTY agrees to submit properly completed operational reports to the TCEQ, on forms provided by the TCEQ, for the Operations Period. The PERFORMING PARTY will submit the required reports on the date specified by the TCEQ in the SOW.

18.5 The PERFORMING PARTY's timely submission of accurate operational reports is material to performance under this Contract. Failure to submit the required operational reports or submission of operational reports containing false or inaccurate information shall constitute a material breach of this Agreement.

ARTICLE 19. TERMINATION

19.1 For purposes of availability of funding and completion of the TCEQ's obligations to reimburse the PERFORMING PARTY for authorized expenses; this Contract will terminate upon the earlier of expiration of the Contract Period, or upon full performance of all requirements contained herein, unless termination occurs by action taken by the TCEQ or the PERFORMING PARTY under this Article.

19.2 The PERFORMING PARTY acknowledges that certain requirements of this Agreement shall survive an event of termination.

19.3 If the PERFORMING PARTY chooses to not complete the Grant Activities and withdraws from the obligations under this Contract, the PERFORMING PARTY may terminate this Contract for any reason by providing ten (10) days' written notice to the TCEQ and returning any reimbursements already received.

19.3.1 If after payment of final reimbursement and completion of the implementation phase of the Grant Activities, the PERFORMING PARTY decides to cease performing the Grant Activities, the PERFORMING PARTY may request that the TCEQ terminate the Contract. This termination shall be contingent upon the PERFORMING PARTY returning a prorated portion of grant funds already received. The amount of prorated reduction, if any, shall be calculated by the TCEQ as the percentage of the Operations Period of the Grant Activities actually completed in terms of days from the beginning of the Operations Period of the Scope of Work through the date that such request is made or the date which Grant Activities actually ceased, whichever is earlier.

19.4 This Contract may be terminated in whole or in part by the TCEQ for cause, which may include without limitation a material failure to comply with the requirements of the Contract. Unless advance notice of intent to terminate will place funds of the state at increased risk, the TCEQ will provide a minimum of ten (10) days written notice (delivered by certified mail, return receipt requested) of intent to terminate and a reasonable opportunity for the PERFORMING PARTY to correct such noncompliance prior to termination.

19.4.1 If the PERFORMING PARTY's acts or omissions cause or create an increase of pollutants to an unacceptable level or an increase of health and safety risks, such acts or emissions shall constitute a material failure to comply with the requirements of the Contract.

19.4.2 In the event the PERFORMING PARTY sells, transfers, destroys or otherwise loses title, ownership, possession or control of Grant Equipment during the Contract Period, without prior approval from the TCEQ, the PERFORMING PARTY shall, upon request by the TCEQ, promptly return the full amount of funds reimbursed to the PERFORMING PARTY for the purchase of the Grant Equipment.

19.5 This Agreement may be terminated in whole or part by the TCEQ if any delay or failure of performance of the Grant Activities by either PERFORMING PARTY or the TCEQ is caused by a force majeure event. Neither PERFORMING PARTY nor TCEQ shall be liable to the other for any delay in, or failure of performance, of any requirement included in the Agreement caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed, provided that the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome. Force majeure does not include ordinary delays that are common to the industry or location. Each party must inform the other in writing, with proof of receipt, within three (3) business days of the existence of such force majeure, or otherwise waive this right as a defense.

19.6 This Contract may be terminated in whole or in part by the TCEQ for its convenience. Circumstances in which this may occur include without limitation the Texas Legislature's withdrawal of the appropriation for this project or the depletion of the Texas Emissions Reduction Plan Fund, which results in the unavailability of funds to complete this project. To the extent feasible, in the sole discretion of the TCEQ, the TCEQ will provide a minimum of ten (10) days written notice (delivered by certified mail, return receipt requested) of intent to terminate.

19.6.1 The PERFORMING PARTY may not incur new obligations for the terminated portion after the effective date and must cancel as many outstanding obligations as possible. The TCEQ evaluates each obligation to determine its eligibility for inclusion in project costs. The TCEQ allows full credit to the recipient for the state share of the non-cancelable obligations properly incurred by the grantee prior to termination, subject to the availability of funds appropriated for such obligations.

19.7 If after termination for the PERFORMING PARTY's material failure to comply with the requirements of the Contract, it is determined that the PERFORMING PARTY had not so failed, the termination shall be deemed to have been effected for the convenience of the TCEQ.

19.8 In accordance with this Contract, the PERFORMING PARTY does not have an expectation or entitlement of continued receipt of financial assistance under this Contract. Therefore, the PERFORMING PARTY waives any claim for damages arising from or resulting from the TCEQ's termination of this Contract for any reason.

19.9 **Stop Grant Activities.** The TCEQ may stop the Grant Activities if, in the reasonable opinion of the TCEQ, the PERFORMING PARTY fails to perform the Grant Activities in such a way which conforms to the Contract. The TCEQ may order the PERFORMING PARTY to stop the Grant Activities, or any portion thereof, until the cause for such order has been eliminated; however, this right of the TCEQ to stop the Grant Activities shall not give rise to any duty on the part of the TCEQ to exercise this right for the benefit of the PERFORMING PARTY or any surety or other party.

19.10 The PERFORMING PARTY shall carry on the Grant Activities and adhere to the progress schedule at all times, including any disputes or disagreements with the TCEQ. No Grant Activities shall be delayed or postponed pending resolution of any disputes or disagreements, except as the TCEQ and the PERFORMING PARTY may otherwise agree in writing. If, through no act or fault of the PERFORMING PARTY, the Grant

Activities are suspended for a period of more than ninety days by the TCEQ or under an order of court or other public authority, then the PERFORMING PARTY's sole and exclusive remedy is to extend the Grant Activities time line.

19.11 The TCEQ May Suspend Grant Activities. At any time and without cause, the TCEQ may suspend the Grant Activities or any portion thereof by notice in writing to the PERFORMING PARTY which will fix the date on which Grant Activities will be resumed. The PERFORMING PARTY shall resume the Grant Activities on the date so fixed. The PERFORMING PARTY shall be allowed an extension of the Grant Activities time line directly attributable to any such suspension, but only to the extent that the PERFORMING PARTY requests such extensions in writing within fifteen (15) days of the TCEQ's notice.

ARTICLE 20. INDEMNIFICATION

To the extent permitted by law, the PERFORMING PARTY agrees to indemnify and hold harmless the State of Texas and the TCEQ, including its employees and officers, against and from any and all liability, loss, or damage arising out of actions of the PERFORMING PARTY, its subcontractors, agents, officers and directors, principals and employees in the performance of this Contract.

This paragraph is not intended and shall not be construed to require the PERFORMING PARTY to indemnify or hold harmless the State or the TCEQ for any claims or liabilities resulting from the negligent acts or omissions of the TCEQ or its employees.

ARTICLE 21. TITLE TO AND MANAGEMENT OF PROPERTY AND EQUIPMENT

21.1 Subject to the obligations and conditions set forth in this Contract, title to real property and equipment (together hereafter referred to in this Article as "property") acquired under this Contract by the PERFORMING PARTY or a sub-grant recipient will vest upon acquisition or construction in the PERFORMING PARTY or the sub-grant recipient respectively.

21.2 Subject to the provisions of this Contract and as otherwise provided by state statutes, property acquired or replaced under this Contract or a sub-grant contract shall be used for the duration of its normally expected useful life to support the purposes of this Contract whether or not the original projects or programs continue to be supported by state funds.

21.3 The PERFORMING PARTY and sub-grant recipients may develop and use their own property management systems, which must comply with all applicable federal, state, and local laws, rules, and regulations. If an adequate system for accounting for property owned by the PERFORMING PARTY or the sub-grant recipient is not in place or is not used properly, the Property Accounting System Manual issued by the State Comptroller of Public Accounts will be used as a guide for establishing such a system. The property management system used by the PERFORMING PARTY and sub-grant recipients must meet the requirements set forth in this Section.

21.3.1 Property records must be maintained that include a description of the property, a serial number or other identification number, the source of the property, who holds title, the acquisition date, and the cost of the property, percentage of state participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.

21.3.2 A physical inventory of all equipment acquired or replaced under this Contract shall be conducted no less frequently than once every two years during the Project Life and the results of such inventories reconciled with the appropriate property records. Property control procedures utilized by the PERFORMING PARTY and the sub-grant recipients shall include adequate safeguards for replacement value and to prevent loss, damage, or theft of the acquired property. Any loss, damage, or theft shall be investigated. The PERFORMING PARTY and the sub-grant recipients shall develop and carry out a program of property maintenance as necessary to keep both originally acquired and any replaced property in good condition, and to utilize proper sales procedures to ensure the highest possible return, in the event such property is sold.

21.3.3 Certain types of equipment are classified as "controlled assets" and are subject to annual revision. In accordance with the UGMS, the PERFORMING PARTY and sub-grant recipients should contact the Texas Comptroller of Public Accounts' property accounting staff or review the Comptroller's state Property Accounting User Manual available on the Internet, for the most current listing.

21.4 The PERFORMING PARTY or the sub-grant recipient, respectively, may for the purpose of replacing property acquired under this Contract, either trade in or sell the property and use the proceeds of such trade-in or sale to offset the cost of acquiring needed replacement property.

21.5 Items of property with a current per-unit fair market value of less than \$5,000 may be retained, sold, or otherwise disposed of by the PERFORMING PARTY with no further obligation to the TCEQ. Methods used to determine per-unit fair market value must be documented, kept on file, and made available to the TCEQ upon request.

21.6 Real property must be maintained on an Inventory and is subject to the requirements of UGMS, Part III, Subpart C, §31. Subject to the obligations and conditions set forth in this Contract, title to real property acquired under this Contract by the PERFORMING PARTY will vest upon acquisition or construction in the PERFORMING PARTY respectively.

ARTICLE 22. RELEASE OF CLAIMS

The final Request for Reimbursement or the Request for Retained Funds shall include a signed and executed Release of Claims, releasing all claims for payment of any funds due and payable by the TCEQ, upon the TCEQ's payment of the final request.

ARTICLE 23. AMENDING AND SUPPLEMENTING CONTRACT DOCUMENTS

The Contract Documents may be amended to provide for additions, deletions, and revisions in one or more of the following ways: a formal Written Amendment or a Minor Change. All requests for changes to the Contract must be submitted in writing to the TCEQ. All Contract amendments must be in writing and signed by both parties.

ARTICLE 24. REMEDIES AVAILABLE TO THE TCEQ

24.1 In accordance with Chapter 2261 Texas Government Code, the following Schedule of Remedies applies to this Contract in the event of the substandard performance of Grant Activities or other material failure to conform to the requirements of the Contract or applicable law:

- 24.1.1 Reject substandard performance and request corrections without charge to the TCEQ;
- 24.1.2 Issue notice of substandard performance or other non-conforming act or omission;
- 24.1.3 Request and receive return of any over payments or inappropriate payments;
- 24.1.4 Reject reimbursement request and suspend payment pending accepted revision of substandard performance or non-conformity;
- 24.1.5 Suspend all or part of the Work and/or payments pending accepted revision of substandard performance or non-conformity;
- 24.1.6 Reject reimbursement request and withhold all or partial payments. Funds may be retained by the TCEQ for recovery of administrative costs or returned to funding source as authorized by agreements with the funding source and by state or federal law; and/or
- 24.1.7 Terminate the Contract, demand and receive: return of all equipment purchased with contract funds, return of all unexpended funds, and repayment of improperly expended funds.

24.2 **Cumulative Remedies.** The TCEQ may avail itself of any remedy or sanction provided in this Contract or in law to recover any losses arising from or caused by the PERFORMING PARTY's substandard performance or any material non-conformity with the Contract or the law. The remedies and sanctions available to either party in this Contract shall not limit the remedies available to the parties under law.

ARTICLE 25. STANDARDS FOR THE PERFORMING PARTY'S PERFORMANCE

25.1 In accordance with Chapter 2261, Texas Government Code, the TCEQ is required to monitor the PERFORMING PARTY's performance under this Contract. The PERFORMING PARTY agrees that the standards set forth below are appropriate standards for the PERFORMING PARTY's performance during the Contract.

- 25.1.1 **Quality and Accuracy.** Standard: The PERFORMING PARTY's Grant Activities conform to the requirements of this Contract.
- 25.1.2 **Timeliness.** Standard: The PERFORMING PARTY's Grant Activities are completed on schedule.
- 25.1.3 **Reports and Administrative & Financial Operations.** Standard: The PERFORMING PARTY's administrative and financial operations comply with all obligations in law and in this Contract, including, but not limited to, record-keeping, reimbursement requests, audits, allowable costs, payments to subcontractors, and restricted expenditures.

- 25.1.4 **Communication.** Standard: The PERFORMING PARTY's accessibility, responsiveness, and cooperativeness with respect to any Contract-related concerns communicated by the TCEQ; and including the PERFORMING PARTY's demonstrated relationship with subcontractors.
- 25.1.5 **Other.** Standard: Other factors unique to the type of project, as determined by the TCEQ.

25.2 The TCEQ will monitor the PERFORMING PARTY's performance and evaluate the level of compliance with the standards utilizing the performance measures set forth below.

- 25.2.1 **Exceeds Expectations.** The PERFORMING PARTY fully complied with all the standards on a consistent basis.
- 25.2.2 **Satisfactory Performance.** The PERFORMING PARTY's performance complied with all of the standards, with only typical errors, delays, or other problems that needed to be corrected.
- 25.2.3 **Marginal Performance.** The PERFORMING PARTY's performance was acceptable, although a significant number of deficiencies had to be corrected before the contract requirements could be considered met.
- 25.2.4 **Unsatisfactory Performance.** The PERFORMING PARTY's performance was not acceptable, even after attempts to correct deficiencies.

25.3 **Contractor Evaluation.** The TCEQ will prepare a written evaluation of the performance of the PERFORMING PARTY upon completion of the terms of the Contract, or more frequently, as deemed necessary by the TCEQ. A copy of the evaluation will be provided to the PERFORMING PARTY and a copy retained in the TCEQ's contract files. The content of the evaluation shall be wholly within the discretion of the TCEQ. The PERFORMING PARTY may provide a written statement which explains or disagrees with the evaluation, which will be incorporated into the evaluation. The PERFORMING PARTY waives any claim for damages against the TCEQ for the evaluation.

ARTICLE 26. MISCELLANEOUS

Computation of Times

26.1 When any period of time is referred to in the Contract by days, it will be computed to exclude the first and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a State of Texas or federal holiday, such day will be omitted from the computation.

26.2 A calendar day of twenty-four (24) hours measured from midnight to the next midnight will constitute a day.

26.3 **Notice of Claim.** Should the TCEQ or the PERFORMING PARTY suffer injury or damage to person or property because of any error, omission or act of the other party or of any of the other party's employees or agents or others for whose acts the other party may be legally liable, claim will be made in writing to the other party within a reasonable time of the first observance of such injury or damage. The provisions of this paragraph shall not be construed as a substitute for or a waiver of the provisions of any applicable statute of limitations or repose or sovereign immunity.

26.4 **Survival of Obligations.** All representations, indemnifications, warranties and guarantees made in, required by or given in accordance with the Contract, as well as all continuing obligations indicated in the Contract, will survive final payment, completion and acceptance of the Grant Activities and termination or completion of the Contract until such time as enforcement of such representations, indemnifications, warranties and guarantees is barred by the applicable statute of limitations.

26.5 Notwithstanding any provisions relating to assignment in the Uniform Commercial Code, no delegation by a party hereto of any duties or obligations nor assignment by a party hereto of any rights under or interests in the Contract will be binding on another party hereto without the written consent of the party sought to be bound; and specifically, but without limitation, monies that may become due and monies that are due may not be assigned without such consent (except to an extent that the effect of this restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract. This Contract is not transferable or otherwise assignable by the PERFORMING PARTY without the written consent of the TCEQ and any attempted transfer without such consent is void. In the event the PERFORMING PARTY requests an assignment or transfer of any rights or obligations under the Grant Contract, the TCEQ may require further and additional assurances as a condition of approval of such assignment or transfer.

26.6 The parties hereby agree that this Contract does not waive the State's sovereign immunity relating to suit, liability, and the payment of damages. No TCEQ personnel or agents are authorized to waive sovereign immunity by accepting, on behalf of the TCEQ, goods or services which are not required under the Contract or any conforming amendment. The parties further agree that all claims, suits, or obligations arising under or related to this Contract are subject to and limited to the availability of funds appropriated by the Texas Legislature for that respective claim, suit, or obligation.

26.7 The PERFORMING PARTY acknowledges and agrees that because this Contract has been executed, and will be administered in Travis County, Texas, the PERFORMING PARTY acknowledges and agrees that any permissible cause of action involving this Contract will arise solely in Travis County. If a legal action related to this claim is permissible and there are two (2) or more counties of proper venue under the rules of mandatory, general, or permissive venue, and one such county is Travis County, the PERFORMING PARTY hereby agrees to venue in Travis County. This provision does not waive the TCEQ's sovereign immunity.

26.8 Any provision of the Contract held to be void or unenforceable under any Laws or Regulations shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon the TCEQ and the PERFORMING PARTY, who agree that Contract are reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.

26.9 If the PERFORMING PARTY files for bankruptcy, the PERFORMING PARTY shall immediately notify the TCEQ in writing according to the Notice provisions AND send notification by certified mail directly to the TCEQ Bankruptcy Program. The PERFORMING PARTY's notice to the bankruptcy program must include the appropriate contract number(s).

26.10 Any notice issued pursuant to this Contract shall be addressed to the respective party's Authorized Project Representative, or at such other address as they have theretofore specified by written notice. Such notices shall be sent by certified mail, return receipt requested, or shall be delivered in hand and a receipt provided. Any notice or other written communication shall be considered delivered upon date of receipt.

26.11 The laws of the State of Texas shall apply to this Contract.

26.12 The parties to this Agreement expressly agree that time is of the essence of this Contract.

26.13 The terms include, included, including, includes, when used in this Agreement shall mean "includes but not limited to."

26.14 By stating at any place in this Contract that any particular noncompliance is a material breach, the TCEQ does not limit the acts or omissions which may constitute a material breach.

26.15 Unless authorized in writing by the TCEQ in accordance with this Contract, no waiver of any obligation of the PERFORMING PARTY shall bind the TCEQ. Any such authorized waiver shall not constitute a continuing waiver of the obligation.

ARTICLE 27. INTELLECTUAL PROPERTY

27.1 **No intent to create intellectual property.** The TCEQ does not intend to fund Grant Activities that require the creation of intellectual property. Accordingly, Sections 27.2 through 27.4 should not apply to the Grant Activities. If the PERFORMING PARTY at any time determines that any portion of the Grant Activities funded by the TCEQ will require creation of intellectual property, including new works incorporating preexisting intellectual property, the PERFORMING PARTY must immediately notify the TCEQ and will not undertake such activity unless the TCEQ provides written authority to proceed.

27.2 **Disclosure of Intellectual Property Produced during the Grant Activities.** The PERFORMING PARTY shall promptly notify the TCEQ of all Intellectual Property which the PERFORMING PARTY or the PERFORMING PARTY's employees, subcontractors, or subcontractor's employees may produce, either solely or jointly with others, during the course and directly arising from the Grant Activities. In addition, the PERFORMING PARTY shall promptly notify the TCEQ of all Intellectual Property to which the PERFORMING PARTY may acquire rights in connection with the Grant Activities. Any notification under this paragraph shall contain sufficient technical detail to convey a clear understanding of the Intellectual Property, and shall identify any publication, sale, public use, or impending publication. Promptly upon request, the PERFORMING PARTY shall supply such additional information as the TCEQ may request.

27.3 **Grant of License.** With respect to such Intellectual Property as is developed by the PERFORMING PARTY or the PERFORMING PARTY's employees, subcontractors, or subcontractor's employees, either solely or

jointly with others, during the course of performing portions of and directly arising from the Grant Activities for which reimbursement is requested from the TCEQ; the PERFORMING PARTY hereby grants to the TCEQ (1) a nonexclusive, perpetual, irrevocable, enterprise-wide license to reproduce, publish, or otherwise use such Intellectual Property and associated use documentation, and (2) a nonexclusive, perpetual, irrevocable, enterprise-wide license to authorize others to reproduce, publish, or otherwise use such Intellectual Property for the TCEQ'S purposes. For such intellectual property that is developed in the course of the Grant Activities and not subject to this license requirement, the PERFORMING PARTY shall ensure that the development expenses are clearly documented on financial reports submitted to the TCEQ and that requests for reimbursement do not include these expenses.

27.4 Modification; Derivative Works. The TCEQ shall have the right, in its own discretion, to independently modify any Intellectual Property to which license is granted herein for The TCEQ's own purposes and use, through the services of its own employees or independent contractors. The TCEQ and the PERFORMING PARTY shall jointly own all Intellectual Property Rights to such modifications. The PERFORMING PARTY shall not be responsible for or liable for any modifications by the TCEQ or the TCEQ's employees or independent contractors of Intellectual Property licensed to the TCEQ by the PERFORMING PARTY.

27.5 The PERFORMING PARTY shall comply with all Laws and Regulations relating to Intellectual Property. The PERFORMING PARTY represents and warrants to the TCEQ that the PERFORMING PARTY will not infringe any Intellectual Property Right of any third party. The PERFORMING PARTY further represents and warrants to the TCEQ that in the course of performing the Grant Activities it will not use or possess any Intellectual Property owned by a third party without paying any required royalty or patent fees. The PERFORMING PARTY warrants that it has full title in and ownership of the Intellectual Property and any enhancements, updates or other modifications, or that it has full power and authority to grant all licenses granted herein, and that such license use by the TCEQ will in no way constitute an infringement or other violation of any Intellectual Property right of any third party. The PERFORMING PARTY warrants that it shall have, throughout any applicable license term hereunder, free and clear title to, or the right to possess, use, sell, transfer, assign, license, or sublicense, products that are licensed or provided hereunder to the TCEQ by the PERFORMING PARTY. Except as permitted in the Contract, the PERFORMING PARTY shall not create or permit the creation of any lien, encumbrance, or security interest in the Grant Technology or any part thereof, or any product licensed or provided hereunder to the TCEQ for which title has not yet passed to the TCEQ, without the prior written consent of the TCEQ. The PERFORMING PARTY represents and warrants to the TCEQ that neither it nor any other company or individual performing the Grant Activities is under any obligation to assign or give to any third party any Intellectual Property rights granted or assigned to the TCEQ, or reserved by the TCEQ, pursuant to the Contract.

27.6 The PERFORMING PARTY shall include provisions adequate to effectuate the purposes of Section 27.5 in all subcontracts and sub-grants under this Contract in the course of which Intellectual Property may be produced or acquired.
