

**Emissions Reduction Incentive Grant Application**

**Supplemental Form 2: Non-Road Heavy-Duty Equipment Used for Gas Recovery Purposes**

For non-road equipment used primarily for natural gas recovery purposes, the TCEQ may exempt the applicant from the requirement that 75% of the annual operation of the grant-funded equipment must occur in the eligible counties listed in the application and contract documents.

Explain below in detail how the equipment being upgraded has been used and how the upgraded equipment will be used in natural gas recovery. For example, a generator used on a natural gas drill rig may qualify, but a tracked dozer used to build a road to a drill site would not.
