

**New Technology Implementation Grant (NTIG)  
Application Selected for Funding  
Fiscal Year 2018**

Application Number	Applicant Name	Project Description	Project Category	Grant Amount
2018-08-0002-NG	Vistra Energy Corporation	Installation of a Battery Electricity Storage System (BESS), with 10MW of rated power and 42MWh capacity. The BESS will use lithium-ion batteries and will be tied to an existing 180MW solar facility located in West Texas. The BESS will capture excess solar energy during the day and make it available to the grid during periods of peak energy use.	Electricity Storage	\$1,000,000.00
				<b>\$1,000,000.00</b>
