**Section I. Accomplishments**

*Provide a bulleted list of project accomplishments as well as a description of their importance to the project.*

- We have made our monthly trip to Texas to inspect all vehicles.
- We are communicating with FedEx regarding additional needs in order for them to accept the test vehicles into their fleet.
- We are logging data daily with the city fleet vehicles.
- We are testing the upgrade for one of the City of Dallas trucks and will be returning it to Dallas, Texas, in short order.

*Indicate which part of the Grant Activities as defined in the grant agreement, the above accomplishments are related to:*

- All of these are for Task 3 and Task 4.

**Section II: Problems/Solutions**

*Problem(s) Identified: Report anticipated or unanticipated problem(s) encountered and its effect on the progress of the project*

- We are having a dashboard display that crashes too often in one of the 18 trucks and do not yet have a fix for it.

*Proposed Solution(s): Report any possible solution(s) to the problem(s) that were considered/encountered*

- We will probably replace that particular display or install a newly revised unit.

*Action(s) Conducted and Results: Describe the action(s) taken to resolve the problem(s) and its effect*

- NA

### **Section III. Goals and Issues for Succeeding Period:**

*Provide a brief description of the goal(s) you hope to realize in the coming period and identify any notable challenges that can be foreseen*

- We are planning on bringing the City of Dallas truck which is in Colorado back to Dallas, Texas, with an upgraded battery management system (BMS) for on road testing.
- We are planning on delivering the last of the vehicles into the commercial fleets.
- We are planning on logging data from the vehicles in operation on an ongoing basis.
- We are planning on filing our Task 3 report.
- We are planning to perform driver training with FedEx.
