

**Texas Emissions Reduction Plan (TERP)
 Program Waiver Request Form
 TCEQ-20845**

Please choose the waiver request(s) that apply to the activity.	
	Waiver for the Ownership Requirement: Equipment has not been continuously owned for the two years immediately preceding the application date. For on-road vehicles, the applicant has not been listed on the front of the title document for the two years immediately preceding the application date.
	Waiver for the Registration Requirement: Equipment has not been continuously located and used in Texas for the two years immediately preceding the application date. In addition, on-road vehicles have not been continuously registered for operation in Texas for the two years immediately preceding the application date.
	Waiver for the Usage Requirement: Equipment is not currently in good operating condition and is incapable of performing its primary function in the routine operations of the applicant at the time of application signature. Equipment cannot continue to perform its primary function for the duration of the activity life of the project.
Please provide a detailed explanation for the waiver request(s) below and reference section 4.1 Waiver Request Approval/Disapproval procedures in the RFGA.	

Please provide a detailed explanation for the waiver request(s) in the box provided.

By signing this document, the applicant is certifying that all information provided is complete and accurate.
