

## Texas Natural Gas Vehicle Grant Program Supplemental Form 2: Agricultural Product Transportation

### Determination of Grant Amount.

<p style="text-align: center;"><b>Does this form apply to all activities in the application?</b></p> <p>Complete a separate Form 2 for activities operating different percentages in the eligible areas.</p>	
<p style="text-align: center;">List the type of transportation business i.e. transportation of dairy.</p>	
<p style="text-align: center;">List the specific agricultural product the vehicle will be transporting.</p>	
<p style="text-align: center;">List the final destination (county) to which the agricultural product will be delivered.</p>	
<p style="text-align: center;">Will the vehicle listed in the application be used “solely” as a transporter of agricultural product?</p>	
<p>For vehicles used solely for agricultural product transportation purposes, the TCEQ may exempt the applicant from the requirement that 75% of the annual mileage occur in the eligible counties listed in the application and contract documents. Projects with different percentages allocated in the eligible areas must submit a separate Form 14 for each vehicle(s).</p> <p><b>Explain below in detail</b> how the vehicle being replaced or repowered has been used and how the upgraded vehicle will be used for agricultural product transportation purposes.</p> <p><b>Note:</b> Projects involving the transport of raw agricultural product must be using a heavy-duty truck to transport the raw agricultural product from the place of production to:</p> <ul style="list-style-type: none"> <li>a. a nonattainment area;</li> <li>b. an affected county;</li> <li>c. a destination inside the CTZ; or</li> <li>d. a county adjacent to the above counties and areas.</li> </ul>
