

Texas Natural Gas Vehicle Grant Program Supplemental Form 3: Program Waiver Request Form

Please choose the waiver request(s) that apply to the activity.	
	Waiver for the Ownership Requirement: Vehicle has not been continuously owned for the two years immediately preceding the application date. The applicant has not been listed on the front of the title document for the two years immediately preceding the application date.
	Waiver for the Registration Requirement: Vehicle has not been continuously located and used in Texas for the two years immediately preceding the application date. The vehicle has not been continuously registered for operation in Texas for the two years immediately preceding the application date.
	Waiver for the Usage Requirement: Vehicle is not currently in good operating condition and is incapable of performing its primary function in the routine operations of the applicant at the time of signature. The vehicle cannot continue to perform its primary function for the duration of the activity life of the project.
	Waiver for Special Ownership Preapproval (if applicable): Vehicle has not been owned, or otherwise commercially financed and operated in Texas as a fleet vehicle for at least two years immediately preceding the application date. Vehicle has not been registered in a county located inside the Clean Transportation Zone for at least the two years immediately preceding the application date.
Please provide a detailed explanation for the waiver request(s) below and reference Appendix A: Waiver of Ownership, Registration, and Use Requirements in the RFGA.	

Please provide a detailed explanation for the waiver request(s) in the space provided below.

By signing this document, the applicant is certifying that all information provided is complete and accurate.
