Docket No. 2010-0879-RUL

On July 28, 2010, the Texas Commission on Environmental Quality (Commission) considered the petition for rulemaking filed by Paloma Lake Municipal Utility District (MUD) Number 1, Paloma Lake MUD Number 2, Parkside at Mayfield Ranch MUD, and by Armbrust & Brown, L.L.P., on behalf of Greenhawe Water Control and Improvement District Number 2, Lakeside MUD Number 3, Travis County MUD Number 7, Travis County MUD Number 9, Williamson County Water, Sewer, Irrigation, and Drainage District Number 3, Moore's Crossing MUD, West Williamson County MUD Number 1, and Travis County MUD Number 4. The petition, filed on May 28, 2010, requests that the agency initiate rulemaking to facilitate regionalization and cooperative planning among water districts and other local government entities by providing clear authorization in the Commission's rules for a determination of a district's allowable cost participation based on a cost-benefit analysis.

IT IS THE DECISION OF THE COMMISSION pursuant to Administrative Procedure Act (APA), Texas Government Code, § 2001.021 and Texas Water Code, § 5.102 to instruct the Executive Director to examine the issues in the petition and to initiate rulemaking for the petition.

This Decision constitutes the decision of the Commission required by the APA, § 2001.021(c).
