REGARDING THE PETITION FOR RULEMAKING
FILED BY THE HONORABLE LON BURNAM,
REPRESENTATIVE OF THE STATE OF TEXAS**

Docket No. 2014-0708-RUL
Rule Project No. 2014-025-PET-NR

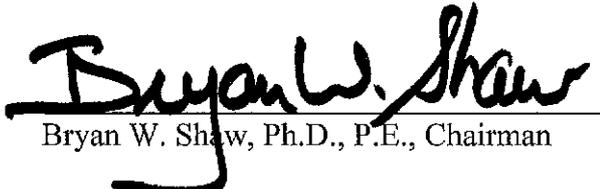

On July 2, 2014, the Texas Commission on Environmental Quality (Commission) considered the petition for rulemaking filed by the Honorable Lon Burnam, Representative of the State of Texas (Petitioner). The Petitioner, filed on May 16, 2014, requests that the Commission modify 30 TAC §336.731(b) to provide that costs of water removal operations at low-level radioactive waste disposal facilities are required.

IT IS THEREFORE ORDERED BY THE COMMISSION pursuant to Administrative Procedure Act, Texas Government Code, §2001.021, that the petition be denied, because the current rules and statutes are applicable and appropriate to the relief requested in the petition for the reasons stated by the Executive Director in his response to the petition dated June 13, 2014.

This Decision constitutes the decision of the Commission required by the Texas Government Code, §2001.021(c).
