Effective: August 3, 2017

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY
Permanent Rule Change

Rule Project Number 2016-027-111-CE
Amend Prescribed Burning Rules

Chapter 111
Control of Air Pollution from Visible Emissions and Particulate Matter
Subchapter B

1. Purpose. This change transmittal provides the pages that reflect changes and additions to the Texas Commission on Environmental Quality (commission) Volume of Permanent Rules.

2. Explanation of Change. On July 7, 2017, the commission adopted an amendment to §111.203 without change to the proposed text as published in the February 3, 2017, issue of the Texas Register (42 TexReg 404), and, therefore, the rule text was not republished. The commission also adopted new §111.217 with change to the proposed text and, therefore, the rule text was republished.

The commission submitted amended §111.203 and new §111.217 to the United States Environmental Protection Agency as a revision to the State Implementation Plan.

3. Effect of Change. The adopted rulemaking clarifies and adds more specific language to the current agency rules related to prescribed burning conducted by Certified and Insured Prescribed Burn Managers who are certified by the Prescribed Burning Board of the Texas Department of Agriculture.
