

Effective: July 31, 2008

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY
Permanent Rule Change

Rule Project No. 2007-045-230-PR
Senate Bill 662: Groundwater Availability for Platting

Chapter 230
Groundwater Availability Certification for Platting

1. Purpose. This change transmittal provides the page(s) that reflect changes and additions to the Texas Commission on Environmental Quality (commission) Volume of Permanent Rules.
2. Explanation of Change. On July 9, 2008, the commission adopted amendments to §§230.1 - 230.3 and 230.9 *without changes* as published in the February 29, 2008 issue of the *Texas Register* (33 TexReg 1744) and were not republished.
3. Effect of Change. This rulemaking implements Senate Bill 662 from the 80th Legislative Session, 2007. Local Government Code, §212.0101(c) and §232.0032(c), require the commission in consultation with the Texas Water Development Board (TWDB), by rule to require a person who submits a plat under Local Government Code, §212.0101 or §232.0032, to transmit to the TWDB and any applicable groundwater conservation district (GCD), information that would be useful in performing GCD activities, conducting regional water planning, maintaining the TWDB's groundwater database, or conducting state studies on groundwater.
