SUBCHAPTER I : DISTRICT NAME CHANGES AND POSTING SIGNS §§293.101 - 293.103 Effective October 6, 2002

§293.101. Posting Signs in the District.

- (a) Any district which is providing or proposing to provide as the district's principal function, water, wastewater, drainage, flood control or protection facilities or services, or any of these facilities or services that have been financed or are proposed to be financed with bonds of the district payable in whole or part from taxes of the district, or by imposition of a standby fee, if any, to household or commercial users, other than agricultural, irrigation, or industrial users, and which district includes less than all the territory in at least one county and which, if located within the corporate area of a city, includes less than 75 percent of the incorporated area of the city or which is located outside the corporate area of a city in whole or in substantial part, shall within 30 days after the creation, whether by commission order, county commissioner's court, or act of the legislature, of the district, post signs indicating the existence of the district at two or more principal entrances to the district.
- (b) Detailed sign specifications as to location, format, size and materials may be obtained from the executive director on request at no charge.
- (c) Within 10 days following the installation of the signs, the district shall submit a statement to the executive director indicating the location of the signs.

Adopted May 7, 1998

Effective June 5, 1998

§293.102. District Name Change.

- (a) A district may apply to the commission for approval of a name change.
 - (1) The district must have reasonable grounds for requesting the change.
- (2) The new name must be generally descriptive of the location of the district followed by the type of district as provided by the title of the chapter of the Texas Water Code concerning the district. If a district is located wholly within one county that contains more than one district of that type, the district may be differentiated, if necessary by adding to the new name the proper consecutive number. The new name may not be the same as the name of any other district.
 - (b) Applications requesting approval of a name change shall include the following:
- (1) A resolution by the governing board requesting commission approval of the name change which indicates the proposed new name;
 - (2) The reason for the requested change;

- (3) A \$100 application fee;
- (4) Any other information that the executive director may require.
- (c) District action following commission approval of the name change.
- (1) Within 30 days of the date of commission approval, the district shall publish notice of the name change in a newspaper or newspapers of general circulation in the county or counties in which the district is located.
- (2) Within 30 days of the date of commission approval, the district shall give notice of the name change by mail to utility customers, permittees, if any, and the county clerk of all counties in which a portion of the district lies; and, to the extent practicable, to the holders of bonds, obligations, and other indebtedness of the district.
- (3) A suggested form of notice is given in §293.103 of this title (relating to Form of Notice for Name Change).
- (4) If applicable, the district shall post new name signs pursuant to §293.101 of this title (relating to Posting Signs in the District).

Adopted September 30, 1996

Effective October 22, 1996

§293.103. Form of Notice for Name Change.

The following form may be used to provide notice of a name change pursuant to §293.102(c) of this title (relating to District Name Change):
