1. **Purpose.** This change transmittal provides the page(s) that reflect changes and additions to the Texas Commission on Environmental Quality (commission) Volume of Permanent Rules.

2. **Explanation of Change.** On April 12, 2006, the commission adopted the amendments to §§304.1 - 304.3, 304.11 - 304.13, 304.15, 304.16, 304.21, 304.31 - 304.34, 304.42, 304.44, 304.62, and 304.63. Sections 304.1 - 304.3 and 304.16 were adopted *with changes* to the proposed text as published in the November 11, 2005, issue of the *Texas Register* (30 TexReg 7364). Sections 304.11 - 304.13, 304.15, 304.21, 304.31 - 304.34, 304.42, 304.44, 304.62, and 304.63 were adopted *without changes* to the proposed text and were not republished.

3. **Effect of Change.** The amendments establish specific rates for permitted uses that were previously assessed under general uses; specify the applicability of the rules to ensure that it is clear that the rules apply to all watermaster programs created under Texas Water Code, Chapter 11 (other than the Rio Grande Watermaster Division); and require watermasters to report water use summaries annually instead of quarterly.
