

## **SUBCHAPTER K : RESEARCH, DEVELOPMENT AND DEMONSTRATION PERMITS**

### **§305.191. Applicability and Scope.**

The commission may issue a research, development and demonstration permit for any hazardous waste treatment facility which proposes to utilize an innovative and experimental hazardous waste treatment technology or process for which permit standards for such experimental activity have not been promulgated under 40 Code of Federal Regulations Parts 264 or 266. Any such permit shall include such terms and conditions as will assure protection of human health or safety and the environment. Such permits:

(1) shall provide for the construction of such facilities as necessary, and for operation of the facility for not longer than one year unless renewed as provided in §305.194 of this title (relating to Renewal);

(2) shall provide for the receipt and treatment by the facility of only those types and quantities of hazardous waste which the commission deems necessary for purposes of determining the efficacy and performance capabilities of the technology or process and the effects of such technology or process on human health and safety and the environment; and

(3) shall include such requirements as the commission deems necessary to protect human health and safety and the environment, including but not limited to, requirements regarding monitoring, operation, financial responsibility closure, and remedial action, and such other requirements as the commission deems necessary regarding testing with respect to the operation of the facility and providing of information to the executive director.

### **§305.192. Waiver of Requirements.**

For the purpose of expediting review and issuance of permits under this subchapter, the commission may, consistent with the protection of human health and safety and the environment, modify or waive permit application and permit issuance requirements of this chapter, except that there may be no modification or waiver of regulations regarding financial responsibility (including insurance) or of procedures regarding public participation.

### **§305.193. Termination.**

The commission may order an immediate termination of all operations at a facility subject to this subchapter at any time the commission determines that termination is necessary to protect human health and safety and the environment.

### **§305.194. Renewal.**

Any permit issued under this subchapter may be renewed not more than three times. Each such renewal shall be for a period of not more than one year.
