Chapter 336
Radioactive Substance Rules
Subchapter B

1. Purpose. This change transmittal provides the pages that reflect changes and additions to the Texas Commission on Environmental Quality (commission) Volume of Permanent Rules.

2. Explanation of Change. On May 10, 2017, the commission adopted the amendment to §336.103 without change to the proposed text as published in the February 3, 2017, issue of the Texas Register (42 TexReg 409) and, therefore, the text of the rule was not republished.

3. Effects of Change. This rulemaking removes the word "quarterly" from §336.103(c). The subsection required the executive director to invoice for the amount of the recoverable costs incurred quarterly.
