

SUBCHAPTER A : PURPOSE AND APPLICABILITY
§33.1 and §33.3

§33.1. Purpose and Applicability.

(a) The purpose of this chapter is to implement the commission's authority under Texas Water Code, Chapter 5, Subchapter J, to conduct coordinated permit processing and issue one consolidated permit.

(b) This chapter applies to any plant, facility, unit, or site that is required to have more than one permit issued by the commission and that files applications with the commission under Texas Water Code, Chapter 5, Subchapter J. This chapter sets forth the standards and requirements for applications and actions concerning consolidated permits and amendments, modifications, renewals, transfers, corrections, revocations, and suspensions of those permits.

(c) A federal operating permit governed by the requirements of Texas Health and Safety Code, §§382.054-382.0543, may not be consolidated with other permits under this chapter.

Adopted October 23, 1998

Effective December 10, 1998

§33.3. Definitions.

The following terms, when used in this chapter, have the following meanings, unless the context clearly indicates otherwise.

(1) **Consolidated permit** - A permit issued under Texas Water Code, Chapter 5, Subchapter J, and this chapter, and that contains authorizations for activities in more than one program.

(2) **Component authorization** - An authorization within a consolidated permit that would normally be issued as an individual authorization under the requirements of applicable law governing operations at a facility, plant, or site.

Adopted October 23, 1998

Effective December 10, 1998
