§342.25. Registration.

(a) The responsible party for an aggregate production operation, in operation on or before September 1, 2012, shall register each operation with the commission within the 60-day period beginning September 1, 2012.

(b) The responsible party for an aggregate production operation that begins operations after September 1, 2012 shall register each operation with the commission not later than the 10th business day before the beginning date of regulated activities.

(c) An aggregate processing plant that has the same responsible party and is located at the same site from which aggregates are being or have been removed or extracted from the earth is not required to obtain a separate registration.

(d) The responsible party for an aggregate production operation shall renew the registration annually as regulated activities continue.

(e) Within 30 days after all regulated activities at an aggregate production operation have ceased, the responsible party shall submit a registration cancellation request to the commission.

(f) Applications for registration or cancellation of a registration shall be made on forms prescribed by the executive director.

Adopted June 13, 2012 Effective July 5, 2012

§342.26. Registration Fees.

(a) Any person who submits a registration for an aggregate production operation shall remit, at the time of registration, a fee to the commission.

(b) The executive director shall determine the costs to administer this chapter and the requirements in Texas Water Code, §28A, and establish fees annually to recover the executive director's actual costs. The fees established by the executive director shall not exceed $1,000. The executive director may implement a tier-based registration fee structure.
