

SUBCHAPTER L: ON-SITE SEWAGE FACILITIES

§35.901

Effective July 19, 2002

§35.901. Emergency Order Concerning On-Site Sewage Facilities.

If the commission finds that an emergency exists and that the public health and safety is endangered because the construction or operation of an on-site sewage facility (OSSF) does not comply with Texas Health and Safety Code, Chapter 366, or Chapter 285 of this title (relating to On-Site Sewage Facilities); the commission may issue an emergency order that:

- (1) suspends the license of an OSSF installer; or
- (2) requires cessation of operation of an OSSF.
