Read And Check Disposition Statement Below

Read the following carefully!

Vehicle /Equipment (Including the engine) was destroyed.

Destruction means making a hole 3 inches or larger in the engine block and cutting both frame and rails in half (or other pre-approved destruction) making it inoperable. The hole in the engine block **must not be on a removable plate and must be in the vicinity of the engine serial number.** All photos must be in color and not blurry. When using salvage or recycling companies, attach a written document that proves receipt of the old equipment, engine, or vehicle. Follow the list below that best applies to your vehicle or equipment It is your responsibility that the salvage or recycling companies adhere to these procedures

Checklist For Disposition Items For On-Road Vehicles

- A photo of the whole vehicle in operating condition before destruction (both sides of the vehicle).
- A photo of the engine block from the vehicle in operating condition before destruction (both sides of the engine).
- A photo of both frames before destruction.
- A photo of the whole vehicle after destruction (both sides of the vehicle).
- A photo of the engine block after destruction with a 3-inch or larger hole that cannot be repaired. The entire engine must be visible in the photo.
- A photo of both frames after destruction with both sides of the frame cut completely in half.
- A copy of the Nonrepairable Vehicle Title from the Texas Department of Motor Vehicles, Form VTR-441.
- A document from the salvage or recycling company if you sell the equipment for scrappage and that company does the destruction.

Checklist For Disposition Items For Off-Road Equipment

- A photo of the whole piece of equipment before destruction (both sides of the equipment).
- A photo of the engine block in operating condition before destruction (both sides of the engine).
- A photo before structural damage (both sides of the equipment).
- A photo of the whole piece of equipment after destruction (both sides of the equipment).
- A photo of the engine block after destruction with a 3-inch or larger hole that cannot be repaired. The entire engine must be visible in the photo.
- A photo of both sides of the equipment after structural damage that cannot be repaired.
- A document from the salvage or recycling company if you sell the equipment for scrappage and that company does the destruction.

Certification

I, the undersigned, certify that, to the best of my knowledge, all submitted information is true. I understand that the TCEQ may require reimbursement of SEP Funds if the disposition is not met. I understand that failure to comply with these SEP requirements may result in my organization reimbursing all SEP Funds, as well a termination of this SEP Agreement between my organization and the TCEQ.
