No Previous Commitment Certification

I certify on behalf of the Respondent that the Respondent has not previously committed to perform this project including a previous or pre-existing obligation to make the proposed contribution:

- a. under any applicable local, state, or federal regulations that would require implementation of this project or any part of this project; or
- b. as a part of:
 - i. a pollution prevention commitment identified in a plan developed pursuant to the state's prevention programs; or
 - ii. a commitment made under the Clean Texas Program; or
 - iii. the U.S. Environmental Protection Agency's Project XL or any other incentive or regulatory flexibility program; or
- c. as part of a pledge or other promise of payment to the receiving organization where the promise of payment pre-existed submittal of this application

Visit [the *Pollution Prevention Programs* page](http://www.tceq.texas.gov/p2/pollution_prevention.html) (http://www.tceq.texas.gov/p2/pollution_prevention.html) for links and information about the State's pollution prevention programs

Certification statement: Please accept this contribution plan as a certification that (1) the information is true and correct, and (2) that the proposed project is being undertaken solely as part of the settlement of the enforcement action.
