- 10:30 a.m.** **Discuss possible changes to the supplemental application information – clarify duties and experience.** This item was discussed at the last WUOLAC meeting. Russell Hamilton has supplied a starting point for discussion.
Kenny Dykes and Clark Chittenden (contractor) of the Water Supply Division of TCEQ will be available to field questions.
- 11:30 a.m.** **Clarification of what requires a license.** WUOLAC member Gary Sober requested this item. From Gary: “Questions have been raised in the field that, tasks such as the taking of chlorine residuals and flushing of lines do not require a license but when you look at the protection of public health, these tasks are front line in the protection and should be done by a licensed operator.”
James Beauchamp of the Water Supply Division will be available to field questions.
