

Biography: Michael Miller

Office of Compliance and Enforcement
Texas Commission on Environmental Quality

Current Position

Liaison in the Office of Compliance and Enforcement Program Support and Environmental Assessment Division.

Prior Experience and Education

Michael received a Bachelor of Science degree in Geography Science with a concentration in coastal studies from Louisiana State University. He began his career with the Response Group as an Incident Action Plan Specialist working the Deepwater Horizon well blowout incident in Grand Isle, Louisiana. He also worked for the Louisiana Department of Environmental Quality as an Air Investigator before coming to work for the Texas Commission on Environmental Quality in October 2016 as an Air Program Liaison for the Program Support and Environmental Assistance Division. He is a Level II certified thermographer and involved in program coordination for the TCEQ optical gas imaging camera program.
