

Biography: Philip Leung

Air Permits Division

Texas Commission on Environmental Quality

Current Position

Philip is a modeling and assessment specialist for the Air Dispersion Modeling Team of the Permit Support Section. He is responsible for reviewing air dispersion modeling projects in support of New Source Review air permit applications.

Prior Experience and Education

Philip received his Bachelor of Science degree in Meteorology from Rutgers University in 2013 and a Master of Science in Environmental Systems Management from Millersville University in 2016. During Philip's Master's program, he interned for the Texas Commission on Environmental Quality's Air Quality Division for the Data Analysis team. In 2016, Philip joined the Texas Commission on Environmental Quality Air Dispersion Modeling Team.
