Dear Mr. Oliver:

The Texas Commission on Environmental Quality (TCEQ) has completed the technical review of your minor permit revision application and has prepared a draft federal operating permit (FOP) for your final review and approval. The draft FOP and Statement of Basis are available at the TCEQ Web site:

www.tceq.texas.gov/goto/tvannouncements

In accordance with Title 30 Texas Administrative Code § 122.312, minor permit revision applications are required to undergo a public announcement. A list of draft FOPs currently in public announcement is available at the TCEQ Web site:

www.tceq.texas.gov/goto/tvannouncements

The public announcement period will begin November 24, 2015, and end December 24, 2015. In addition, if no comments are received, the U.S. Environmental Protection Agency (EPA) review period will run concurrent with the announcement and will end on January 8, 2016. If comments are received, you will be notified.

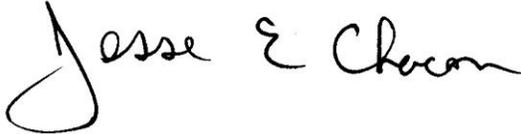

The TCEQ will make the permit application available to the public, local programs, affected states, and the EPA throughout the comment period during business hours at the commission's central office and at the commission's regional office where the site is located.

Announcement of Draft Federal Operating Permit For Minor Permit Revision

Draft Permit No.:O3487

Application and Draft Permit. EnLink North Texas Gathering, LP, 2501 Cedar Springs Rd Ste 100, Dallas, TX 75201-1409, has applied to the Texas Commission on Environmental Quality (TCEQ) for a minor revision of its existing Federal Operating Permit (herein referred to as Permit) No. O3487, Application No. 23360, to authorize operation of the Kemp Compressor Station, a Natural Gas Transmission facility. The area addressed by this application is located at 412 Pearson Ranch Rd in Weatherford, Parker County, Texas 76087-7080. This application was received by the TCEQ on August 31, 2015.

The purpose of a federal operating permit is to improve overall compliance with the rules governing air pollution control by clearly listing all applicable requirements, as defined in Title 30 Texas Administrative Code § 122.10. The draft permit, if approved, will codify the revised conditions under which the area must operate. The permit will not authorize new construction. The TCEQ Executive Director has completed the technical review of this application and prepared a draft permit. The TCEQ Executive Director recommends issuance of this permit. The draft permit and statement of basis are available at the TCEQ Web site:

www.tceq.texas.gov/goto/tvannouncements

The permit application, draft permit, statement of basis, and all other relevant supporting materials, are available for viewing and copying at the Texas Commission on Environmental Quality Central Office, 12100 Park 35 Circle, Bldg. E, First Floor, Austin, Texas and at the Texas Commission on Environmental Quality Dallas/Fort Worth Regional Office, 2309 Gravel Dr, Fort Worth, Texas 76118-6951. Any person with difficulties obtaining these materials due to travel constraints may contact the TCEQ Central Office file room at (512) 239-1540.

Public Comment. Any person may submit written comments on the draft permit. Comments relating the accuracy, completeness, and appropriateness of the revised permit conditions may result in changes to the draft permit.

Written comments should be submitted to the Air Permits Division, MC-163, P.O. Box 13087, Austin, Texas 78711-3087 and received within 30 days after the publication of this announcement.

A notice of proposed final action that includes a response to comments and identification of any changes to the draft permit will be mailed to everyone who submitted public comments for this application.

Information. For additional information about this permit application or the permitting process, please contact the Texas Commission on Environmental Quality, Public Education Program at MC-108, P.O. Box 13087, Austin, Texas 78711-3087 or toll free at 1-800-687-4040. General information regarding the TCEQ can be found at www.tceq.texas.gov. Si desea información en Español, puede llamar al 1-800-687-4040.
