Announcement of Draft Federal Operating Permit
For Minor Permit Revision

Draft Permit No.: O1378

Application and Draft Permit. Graphic Packaging International, LLC, 9978 FM 3129, Queen City, TX 75572-5342, has applied to the Texas Commission on Environmental Quality (TCEQ) for a minor revision of its existing Federal Operating Permit (herein referred to as Permit) No. O1378, Application No. 40473, to authorize operation of the Texarkana Mill, a Pulp Mills facility. The area addressed by this application is located at 9978 FM 3129 in Queen City, Cass County, Texas 75572-5342. This application was received by TCEQ on June 22, 2026.

The purpose of a federal operating permit is to improve overall compliance with the rules governing air pollution control by clearly listing all applicable requirements, as defined in Title 30 Texas Administrative Code § 122.10. The draft permit, if approved, will codify the revised conditions under which the area must operate. The permit will not authorize new construction. The TCEQ Executive Director has completed the technical review of this application and prepared a draft permit. The TCEQ Executive Director recommends issuance of this permit. The draft permit and statement of basis are available at the TCEQ Web site:

www.tceq.texas.gov/assets/public/permitting/air/Title_V/announcements/table.htm

The permit application, draft permit, statement of basis, and all other relevant supporting materials, including the New Source Review permits which have been incorporated by reference, may be accessed electronically at TCEQ Central Office, Office of Chief Clerk, Building F, First Floor, Austin Texas and TCEQ Tyler Regional Office. The application, including any updates, is available electronically at the following webpage: https://www.tceq.texas.gov/permitting/air/airpermit-applications-notices

Public Comment. Any person may submit written comments on the draft permit. Comments relating the accuracy, completeness, and appropriateness of the revised permit conditions may result in changes to the draft permit.

Written comments should be submitted to the Air Permits Division, MC-163, P.O. Box 13087, Austin, Texas 78711-3087 and received within 30 days after the publication of this announcement.

A notice of proposed final action that includes a response to comments and identification of any changes to the draft permit will be mailed to everyone who submitted public comments for this application.
