Hello Booker,

I hope this email finds you well. I have attached a Public Notice Verification Form for the above referenced air permit. If you see the email chain below, I reached out to the applicant due to the address of the Public Place not matching what was in the notice. Since it appears that the address has changed, if there are signs at the original address of the redirect, can we accept it? Or does this need to be amended? Please advise and feel free to reach out if you have any questions.

Thank you so much for your help!

We had to change the Courthouse address because it is under an extensive 2 year renovation. The courthouse is officially closed. The address we listed is the Courthouse Annex which is acting as the Address of Public Place.
